lesbian communities She also explores issues of transsexuality among transgender dykes lesbians who pass as men and female to male transsexuals who may find the label of lesbian a temporary refuge Halberstam also tackles such topics as women and boxing butches in Hollywood and independent cinema and the phenomenon of male impersonators Female Masculinity signals a new understanding of masculine behaviors and identities and a new direction in interdisciplinary queer scholarship Illustrated with nearly forty photographs including portraits film stills and drag king performance shots this book provides an extensive record of the wide range of female masculinities And as Halberstam clearly demonstrates female masculinity is not some bad imitation of virility but a lively and dramatic staging of hybrid and minority genders **Don't**
