L. Lawrence,2025 The Real Kosher Jesus Michael L. Brown,2012-04-03 Jesus Yeshua The most influential Jew who ever lived The most controversial Jew who ever lived He has been called a rabbi a rebel a reformer a religious teacher a reprobate sinner a revolutionary a redeemer Some have claimed he was a magician others the Messiah Some say he was a deceiver others say he was divine Who is this Jesus Yeshua and why are we still talking about him two thousand years later Recently a prominent Orthodox Jewish rabbi presented a new version of Jesus a Kosher Jesus that Jews can accept By reclaiming Yeshua as a fellow Jew and rabbi he has taken a very major and truly wonderful step in the right direction but by re-creating Jesus he has also robbed him of his uniqueness The Real Kosher Jesus takes you on a journey to uncover the truth It is a journey filled with amazing discoveries and delightful surprises a journey that is sometimes painful but that ends with joy a journey through which you will learn the real story of this man named Yeshua the most famous Jew of all time the Jewish nation's greatest prophet the

most illustrious rabbi ever the light of the nations and Israel's hidden Messiah **Living On Our Heads** Rod Parsley, 2010-08-03 Cultural disorientation has become pandemic Children act like adults and adults act like children Mother Earth is worshiped but motherhood is despised Free speech may get you free room and board in jail Life is denied and death is affirmed Dictators are treasured but duly elected leaders are treated with contempt Honest men are smeared while thugs are celebrated Our nation suffers from an epidemic of upside down thinking and we are poorer and weaker for it That is the central premise of this new book by Rod Parsley With a tone that is mildly satirical Parsley uses humor and good natured mockery liberally to poke fun at the absurdity of the twisted positions held by so many cultural elites Good and evil right and wrong tragic and heroic these were at one time well defined terms in our cultural lexicon Yet what was then obvious has now become obscure and it requires an unashamedly bold and independent observer to point out just how upside down we have become Rod Parsley not only describes a culture that has lost its way but also provides a way forward upright and facing true north **U-Turn** David Barton, George Barna, 2014-10-21 Restoring America to the Strength of its Roots The United States became a unique prosperous and admired nation because of its faith in God and the willingness of the people to abide by God's standards and principles Over time however the people's urge to glorify self rather than God has seriously eroded the strength and potential of the nation U Turn examines current cultural trends and historical patterns to reveal that America cannot sustain its strength if it remains on its current path Combining current research with the author's trademark insight and analysis the book gives readers a unique view of the moral and spiritual condition of Americans and provides specific insights into how we can turn our nation around by focusing on The restoration of the family The restoration of the Christian Church The future activity of our government **Blade of Empire** Mercedes Lackey, James Mallory, 2017-10-24 Runacar an Elf helps Vieliessar his destined Bondmate lead a tattered group of Otherfolk into war to confront the forces of Darkness **The Trump Code** Troy Anderson, 2024-09-17 Could the Trump family's connections to time travel esoteric knowledge and secret societies hold clues to unlocking the mysteries of our past and future By the end of this book you will be able to connect the uncanny parallels between the novels Lockwood penned over a century ago and the Trump family legacy Additionally you will be able to solve the mystery to the upcoming 2024 election season In the annals of American presidential history there is no more peculiar tale than the eerie similarities between former President Donald Trump and a series of novels called The Baron Trump Collection penned by the obscure yet seemingly prophetic hand of American lawyer and novelist Ingersoll Lockwood in the late 1800s The Trump Code delves into the connections between the Baron Trump novels and the enigmatic Trump family legacy asking whether this nineteenth century novelist foresaw the future of not only Trump but America and the world It also uncovers a web of historical events and divine providence Drawing from biblical passages about Enoch Elijah the Apostle John the Mount of Transfiguration and a mysterious verse in Ephesians on how Christ's followers are seated in heavenly places along with theories of time travel by Albert Einstein Nikola Tesla and others

The Trump Code connects the pieces of this riveting puzzle posing the question of whether truth is stranger than fiction as Mark Twain famously said As we peel back the layers of history The Trump Code confronts questions that defy easy answers Could this fictional novel hold clues to the upcoming 2024 presidential election with all its division and chaos Is there a divine hand guiding the course of human events as suggested by the parallels in these novels between fiction and reality Or are we witnessing the machinations of darker forces hinted at by the curious numerology surrounding Lockwood s name

Crown of Vengeance Mercedes Lackey,James Mallory,2013-08-27 Elven Queen Vielissiar Farcarinon makes wrenching sacrifices to work unprecedented magics and bond with a dragon Set in the same world as the Enduring Flame trilogy

The Dragon Prophecy Mercedes Lackey,James Mallory,2012 *In Defense of Israel, Revised* John Hagee,2011-12-05
Why is the Middle East in such turmoil Is the modern State of Israel in the plan of God Can and should Christians do more than pray for Israel Does God s Word contain instructions to Christians regarding the treatment of Jewish people In the near thirty years John Hagee has been a lover of Israel he has grappled with each of these questions Most Christians today don t know much about the Jewish faith or the history of the Jewish nation They don t understand what is truly at stake in the Middle East conflict and why Christians need to do more than just pray for the peace of Jerusalem They don t know the role they ve been called to play in relationship with Israel and they aren t sure how God feels about Israel today either As Hagee guides readers through the scriptures that explain why Christians need to stand with Israel and the Jews today with as much fervor as God does they will encounter a man deeply passionate about loving this historic people of God They ll be inspired to take up that same mantle of love and play a part in extending acceptance and favor to the people of Israel just as God has called them to do **Fulfilled Prophecy, in Proof of the Truth of Scripture** Burchier Wrey Savile,1882
