ANGEL READS Auftakt der spicy A DEAL WITH A DEMON Reihe von Bestseller Autorin Katee Robert **The Dragon's Bride** Elle Beaumont, Christis Christie, 2021-06-07 Twisted mages dragons and a sacrificial bride to save the land Every year the villagers of Omdahl pay tribute to their Dragon Master by gifting him with food and jewels for his protection against outside forces For centuries this exchange has taken place This year the neighboring radical mages have grown agitated and have attacked the villagers If matters weren't already dire the land is steadily dying and becoming uninhabitable When the attacks grow more violent the Elders of Omdahl agree the tithe for the Dragon Master will be a bride Imara always knew she was different and the village never ceased to remind her Unable to conjure magic like her fellow seidr's she's a pariah But when the opportunity to save her homeland arises she knows what she must do even if it means becoming the Dragon Master's bride Now to protect all she loves Imara must work alongside the Dragon Master or they risk losing everything Fans of Sarah J Maas Grace Draven Holly Black and Casey L Bond are devouring Christis Christie Elle Beaumont's co-written novel

The Dragon's Bride Katee Robert, 2022-03-29 Briar Rose might have a name out of a storybook but she learned at a very young age that no prince was coming to save her She'll have to save herself Unfortunately even that is an impossible task in her current situation trapped in a terrifying marriage to a dangerous man Desperate times call for desperate measures which is how she finds herself making a deal with a demon Freedom from her husband in return for seven years of service She expects the service to be backbreaking and harsh She doesn't expect to be put on an auction block in a room full of literal monsters and sold to the highest bidder To Sol A dragon He might seem kinder than his fearsome looks imply but she knows better than to trust the way he wants to take care of her or how invested he is in her pleasure In her experience if something seems too good to be true it certainly is Falling for Sol is out of the question She's suffered enough and she has no intention of staying in this realm even if she leaves her heart behind when she returns to her normal life Author note for all tropes tags and CWs please check the author website *The Dragon's Bride* Katee Robert, 2022 **The Dragon's Bride and Other Dragon Stories** Fiona Macdonald, Ayesha L Rubie, Cosei Kawa, 2017-01-03 Three dragon tales from different cultures Find out how brave Maren defies the terrifying beast on her wedding day how a dragon's granny helps three boys escape his cruel claws and how Tokoyo's quest to free her father sees her defeat the dreadful dragon and free her whole country at the

Mother always warned me about dragons Fire breathing dragons That was all fine and well until I met Roxie She was different She was special She was mine The Dragon Bride is a story about a Medieval Kingdom that is facing a problem The sons of the Royal Family are not getting married quickly enough for the King and Queen Thus enters Roxie and a host of other unlikely brides *The Dragon's Bride* Elena Ashwoodsson, The morning mist clung to the mountainside like a shroud obscuring the ancient stones that marked the boundary between the mortal realm and the domain of dragons Seraphina

Blackthorne pulled her woolen cloak tighter around her shoulders as she climbed the winding path each step taking her further from everything she had ever known and closer to a fate she could scarcely comprehend Behind her the village of Thornwick grew smaller with each passing moment its thatched roofs and smoking chimneys a reminder of the life she was leaving behind The weight of her decision pressed upon her chest like a stone but she forced herself to continue This was her choice her sacrifice and she would face it with the dignity befitting her station as the daughter of Lord Blackthorne The path grew steeper and soon the familiar sounds of village life faded entirely replaced by the whisper of wind through ancient pines

and the distant cry of mountain hawks Seraphina paused at a weathered stone marker its surface carved with runes that seemed to shift and writhe in the morning light She could read the old tongue well enough to understand their meaning Here begins the realm of Drakmoor the Eternal Lord of Flame and Shadow A shiver ran down her spine that had nothing to do with the mountain cold For three centuries the dragon Drakmoor had ruled these peaks and for three centuries the villages below had paid him tribute Gold livestock precious gems all had been offered to keep his wrath at bay But this year the harvests had failed the mines had run dry and the people had nothing left to give save that which was most precious of all **Eydis:**
