

Dream Deferred

What happens to a dream deferred?

Does it dry up

Like a raisin in the sun?

Or fester like a sore--

And then run?

Does it stink like rotten meat?

Or crust and sugar over--

like a syrupy sweet?

Maybe it just sags

like a heavy load.

Or does it explode?

Langston Hughes

The Dream Deferred

James de Jongh

The Dream Deferred:

Origins of the Dream W. Jason Miller, 2015-02-03 Since Martin Luther King Jr's I Have a Dream speech some scholars have privately suspected that King's dream was connected to Langston Hughes's poetry Drawing on archival materials including notes correspondence and marginalia W Jason Miller provides a completely original and compelling argument that Hughes's influence on King's rhetoric was in fact evident in more than just the one famous speech King's staff had been wiretapped by J Edgar Hoover and suffered accusations of communist influence so quoting or naming the leader of the Harlem Renaissance who had his own reputation as a communist would only have intensified the threats against the civil rights activist Thus the link was purposefully veiled through careful allusions in King's orations In *Origins of the Dream* Miller lifts that veil and shows how Hughes's revolutionary poetry became a measurable inflection in King's voice He contends that by employing Hughes's metaphors in his speeches King negotiated a political climate that sought to silence the poet's subversive voice By separating Hughes's identity from his poems King helped the nation unconsciously embrace the incendiary ideas behind his poetry *Vicious Modernism* James de Jongh, 1990-11-30 This book concentrates on the aesthetic and cultural force of Harlem which inspired writers from Sherwood Anderson to Tom Wolfe **A Historical**

Guide to Langston Hughes Steven Carl Tracy, 2004 Langston Hughes has been an inspiration to generations of readers and writers seeking a passionate and socially responsible art In this text Steven Tracy has gathered a range of critics to produce an interdisciplinary approach to the historical and cultural elements reflected in Hughes's work *A Study Guide for Hughes's Montage of a Dream Deferred* Gale, Cengage Learning, 2015-09-15 A Study Guide for Hughes's *Montage of a Dream Deferred* excerpted from Gale's acclaimed *Literary Themes for Students The American Dream* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Literary Themes for Students The American Dream* for all of your research needs **Masterplots II.** Philip K. Jason, Tracy Irons-Georges, 2002 Comprehensive coverage of the most commonly studied poems written in or translated into English *Masterplots II* Frank Northen Magill, 1992 **Dream Deferred!** Onwuchekwa Jemie, 1972 *A Concordance to the Poetry of Langston Hughes* Stanley Schatt, 1975

Masterplots II.: Goa-Lov Frank Northen Magill, 1992 Over 770 articles summarize and evaluate poems written between the sixteenth and twentieth centuries *Montage of a Dream Deferred* Langston Hughes, 1951 Kaleidoscopic flashes that make a poem on contemporary Harlem *Children of the Dream* Audrey Edwards, Craig K. Polite, 1992 In Martin Luther King's now legendary I Have a Dream speech he hoped for a time when little children will not be judged by the color of their skin but by the content of their character It is these children now come of age in the post civil rights era shaped by the belief that the key to their success would be in assimilating into the very culture that has for so long denied them opportunity and equality who are the Children of the Dream The authors define black success in the last thirty years as the realization of an

American promise access to equal opportunity Using both an economic and an occupational framework to assess the phenomenon of achievement on a generation of blacks who grew up in an era defined by the concept of integration they have focused on black baby boomers who grew up possessing something no generation of blacks has ever before experienced a sense of entitlement For more than two years they traveled the country seeking out those black men and women who have achieved positions of power and influence in the American workplace The thoughts and insights of this generation help illuminate just what it takes to be a successful black living in white America Whatever their personal behavioral styles the one common trait that emerged from all of the interviews presented here is that successful blacks are first and foremost affirmed and empowered by a positive sense of racial identity They fully understand that as blacks they will encounter obstacles prejudices and inequities but they never view their race as the liability or cause of the problem They understand it is the perverse reactions of others to the black race that create the problem Surprising and often controversial Children of the Dream stands as vivid testimony to the increasingly complex world in which black Americans strive to succeed The Decade Matrix James O. Gollub,1991 A totally original and absorbing way of looking at who we are and how we got that way The Decade Matrix explains our values our choices and our preferences by looking at the impact of historical events on our lives This brilliant book opens new ways of looking at ourselves and understanding what the future holds *Pursuing the American Dream* Calvin C. Jillson,2004 Marked by continuity renewal and expansion the image of the Dream Jillson contends has been remarkably constant since well before the American Revolution an image of a nation offering a better chance for prosperity than any other His book reveals how that Dream has motivated our nation s leaders and common citizens to move sometimes grudgingly toward a more open diverse and genuinely competitive society **A Book of Poetry** ,1983 The Future of American Modernism William Q. Boelhower,1990 **Deferring a Dream** Ernst Rudin,1994 **Hunters of Heaven** Clement Wood,1929 **The Proceedings of the South Carolina Historical Association** South Carolina Historical Association,1995 **Black Literature in America** Raman K. Singh,Peter Fellowes,1970 **Barron's How to Prepare for the Advanced Placement Examination - English** Max Nadel,Arthur Sherrer,1987
