Dreamhunter Elizabeth Knox,2014-12-09 Laura comes from a world similar to our own except for one difference it is next to the Place an unfathomable land that fosters dreams of every kind and is inaccessible to all but a select few the Dreamhunters These are individuals with special gifts the ability to catch larger than life dreams and relay them to audiences in the magnificent dream palace the Rainbow Opera People travel from all around to experience the benefits of the hunters unique visions Now fifteen year old Laura and her cousin Rose daughters of Dreamhunters are eligible to test themselves at the Place and find out whether they qualify for the passage But nothing can prepare them for what they are about to discover For within the Place lies a horrific secret kept hidden by corrupt members of the government And when Laura s father the man who discovered the Place disappears she realizes that this secret has the power to destroy everyone she loves In the midst of a fascinating landscape Laura s dreamy childhood is ending and a nightmare beginning This rich novel filled with beauty danger politics and intrigue comes to a powerful crescendo leaving readers clamoring for Book Two Dreamhunter is a 2007 Bank Street Best Children s Book of the Year It is like nothing else I ve ever read Stephenie Meyer The Twilight Saga

The Dreamhunter's Diaries Johnny Reynolds,2016-03-10 A satirical mirror of leading politicians and the national media to enable them to see their grotesque image Following on from Johnny Reynold s first satirical novel The Big Pipedream Society The Dreamhunter s Diaries is a socio political and quasi economical satirical farce that makes reference to real life situations It focuses on the ludicrousness of the ruling establishment and the state governed media Written in the spirit of Jon Stewart the book was borne out of Johnny s opinion that David Cameron and Ed Milliband are both equally politically irresponsible and too petty minded to be seen as trustworthy statesmen and qualified politicians Johnny also wrote the book in response to his anguish and despair at seeing Britain the country that he has always been deeply committed to in a state of decline He has observed with sorrow the dignified institution of the monarchy reduce itself to a show and tourist curiosity The moral downfall of the institution of church which in my early times was seen as a pillar of ethical standards worth following no longer exists he notes These observations have all been woven into The Dreamhunter s Diaries The book will appeal to those who enjoy reading about important social and political issues and who read and enjoyed Johnny s first book The Big Pipedream Society
