The Duke's Children Anthony Trollope,1893 **The Duke's Children** Anthony Trollope,2025-03 The Duke s Children explores the intricate dynamics of family love and societal expectations within the British aristocracy Following the death of his wife the Duke must navigate the complexities of raising his three children each struggling with their own desires and challenges The narrative delves into how familial duty clashes with personal freedom especially as one of the children faces romantic choices that defy the norms of their status The story highlights the tension between parental authority and individual aspirations particularly as the Duke must come to terms with his feelings for his children while grappling with his own grief As the characters evolve the novel examines the balance between love duty and societal pressures with a focus on the emotional growth and independence of the younger generation Through the Duke s internal struggles and the children s pursuit of their own happiness the book offers a poignant reflection on how family dynamics are tested by loss love and the weight of societal expectations **The Duke's Children** Anthony Trollope,2018-04-04 Reproduction of the original The Duke s Children by Anthony Trollope The Duke's Children (Annotated) Anthony Trollope,2020-12-23 The Duke s Children is a novel Anthony Trollope first published in 1879 as a serial in All the Year Round It is the sixth and final novel of the Palliser series Wikipedia **The Duke's Children : a Novel By: Anthony Trollope** Anthony Trollope,2017-02-04 The Duke s Children is a novel by Anthony Trollope first published in 1879 as a serial in All the Year Round It is the sixth and final novel of the Palliser series The plot concerns the children of the Duke of Omnium Plantagenet Palliser and his late wife Lady Glencora When Lady Glencora dies unexpectedly the Duke is left to deal with his grownup children with whom he has a somewhat distant relationship As the government in which he is Prime Minister has also fallen the Duke is left bereft of both his beloved wife and his political position Before her death Lady Glencora had imprudently given her secret blessing to her daughter Mary s courtship by a poor gentleman Frank Tregear a friend of Lord Silverbridge the Duke s older son and heir Mrs Finn Lady Glencora s dearest confidante somewhat uneasily remains after the funeral as a companion and unofficial chaperone for Mary at the Duke s request Once she becomes aware of the seriousness of the relationship between Mary and Frank Mrs Finn insists that the Duke be informed The Duke s two sons also prove burdensome Lord Silverbridge follows the wishes of his father by entering Parliament He had proposed to Lady Mabel Grex whom he has known all his life She turned him down although with an indication of a more welcoming answer another time However Lord Silverbridge becomes enamoured with American heiress Isabel Boncassen She agrees to marry him but only if the Duke is willing to welcome her into the family At first the Duke disapproves and he disapproves even more of his daughter s suitor To add to his troubles Gerald the younger son gets himself expelled from Cambridge after attending the Derby without permission However by the end of the book the Duke grows closer to all three of his children he allows the engagements of both son and daughter and he is invited once more to take a part in the government Anthony Trollope 24 April 1815 6 December 1882 was an English
