Trip Through Time:

A Trip Through Time Max Bess,2021-05-14 This information is not available as of this time **Leap Through Time** Harold Leonard,2016-04-27 Imagine if you were given the chance to step into a machine and journey through the barriers of time toward any moment in the past Where would you go What would you want to find out After a lifetime of apprenticing under a professor and father figure whose theories made building such a device possible Ben Stone was suddenly presented with the opportunity His choice was one that many would make to travel back to the crucifixion of Jesus and finding himself sealed in the tomb What he experiences is not at all what he expected This is just the beginning of his adventures Join Ben as he leaps through time to discover some of life s biggest mysteries **Time Machines** Paul J. Nahin,2001-04-20 This book explores the idea of time travel from the first account in English literature to the latest theories of physicists such as Kip Thorne and Igor Novikov This very readable work covers a variety of topics including the history of time travel in fiction the fundamental scientific concepts of time spacetime and the fourth dimension the speculations of Einstein Richard Feynman Kurt Goedel and others time travel paradoxes and much more **Tennessee Through Time, The Early Years** Carole Stanford Bucy,2008 **Stealing Through Time** Jack Seabrook,2006-04-13 The writings of twentieth century author Jack Finney are classic contributions to the genres of science fiction and suspense thrillers in American literature Two of Finney s novels *The Body Snatchers* and *Good Neighbor Sam* became the basis of popular films but it was his time travel story *Time and Again* 1970 that won him a devoted following The novel about an advertising artist who travels back to the New York of the 1880s quickly became a cult favorite celebrated especially by New Yorkers for its rich descriptions of life in the city at that time The year of his death Finney finished the sequel *From Time to Time* 1995 In 1955 he published *The Body Snatchers* a chilling tale of aliens who emerge from pods in the guise of humans Many critics interpreted the insidious infiltration by aliens as a cold war allegory that dramatized America s looming fear of a communist invasion and the 1956 film *Invasion of the Body Snatchers* was remade twice Over the course of his career Finney wrote ten novels more than 50 short stories two plays and a work of nonfiction all of which are presented and discussed in this book Also reproduced in full and analyzed is a series of letters exchanged between Finney and various persons associated with his alma mater Knox College These letters give rare insight into Finney s character and demonstrate his personal interest in some of the themes that recur in his fiction This work begins with an overview of Finney s life and career presents a complete assessment of the author s works and concludes with a look at the various ways that Finney s works have been adapted for the stage television and film Also included is the first comprehensive list of Jack Finney s writings ever published The Timberman ,1915 **Historical Collections** Michigan State Historical Society,1886 The Log ,1952 **The W.B.A. Review** ,1919 **Report of Hearings ...
