Promise and Presence John E. Colwell, 2011-09-22

John Colwell presents a robust sacramental theology for Protestant churches He maintains that a doctrine of the Trinity leads us to conceive of God s gracious engagement with his creation as one that is mediated through that creation And this lies at the foundation for an understanding of the sacraments Colwell further argues that the Church and Scripture confer context definition and validity on all other sacramental events The final section reconsiders the seven Sacraments of the Catholic tradition in the light of the understanding of sacramentality developed earlier in the book baptism confirmation the Lord s Supper cleansing healing ministry and marriage Colwell discusses the Sacraments from an evangelical perspective but with a committed ecumenical intent

Godsends William Desmond, 2021-11-15 Godsends is William Desmond s newest addition to

his masterwork on the borderlines between philosophy and theology For many years William Desmond has been patiently constructing a philosophical project replete with its own terminology idiom grammar dialectic and its metaxological transformation in an attempt to reopen certain boundaries between metaphysics and phenomenology between philosophy of religion and philosophical theology between the apocalyptic and the speculative and between religious passion and systematic reasoning In Godsends Desmond s newest addition to his ambitious masterwork he presents an original reflection on what he calls the companioning of philosophy and religion Throughout the book he follows an itinerary that has something of an Augustinian likeness from the exterior to the interior from the inferior to the superior The stations along the way include a grappling with the default atheism prevalent in contemporary intellectual culture an exploration of the middle space the metaxu between the finite and the infinite a dwelling with solitudes as thresholds between selving and the sacred a meditation on idiot wisdom and transcendence in an East West perspective an exploration of the different stresses in the mysticisms of Aurobindo and the Arnhem Mystical Sermons a dream monologue of autonomy a suite of Kantian and post Kantian variations on the story of the prodigal son a meditation on the beatitudes as exceeding virtue in light of Aquinas s understanding and culminating in an exploration of Godsends as telling us something significant about the surprise of revelation in word idea and story Godsends is written for thoughtful persons and scholars perplexed about the place of

religion in our time and hopeful for some illuminating companionship from relevant philosophers It will also interest students of philosophy and religion especially philosophical theology and philosophical metaphysics

Kierkegaard's Influence on Literature, Criticism, and Art Jon Bartley Stewart,2013 Vol 2 is dedicated to the use of Kierkegaard by later Danish writers Almost from the beginning Kierkegaard s works were standard reading for these authors Danish novelists and critics from the Modern Breakthrough movement in the 1870s were among the first to make extensive use of his writings These included the theoretical leader of the movement the critic Georg Brandes who wrote an entire book on Kierkegaard and the novelists Jens Peter Jacobsen and Henrik Pontoppidan **Experiencing Ultimate Intimacy in Marriage** Wade Hooks,2009-06-15 Why write this kind of book at this particular time when so many books on marriage and sex already exist My inspiration was not born out of some brandnew revelation that no one else has thought of but to enhance what is already available with hopefully a slight twist There will be nothing in this book that most do not already know but maybe there are some who have never heard it explained in such simple terms What you will read in this book are things that should be explained thoroughly during the minister's counseling sessions to the couples that are about to marry Some of the focus should be on sexual satisfaction My inspiration to write this book comes from having a great many married men and women both young and old come to me and ask if I would educate them on how to sexually satisfy their spouse Most of them had heard me preach or teach on the importance of leaving our mates completely satisfied sexually God's intent was for husbands and wives to consistently enjoy the experience of reaching the ultimate intensity that comes when the maximum sexual climax is reached Many men have reached sexual climax but not the ultimate one Anyone can reach a climax by means of masturbation but the greatest satisfaction comes through intensive foreplay between a husband and wife Most

complaints that I receive from husbands are from those whose wives grew up in very strict churches or in homes where sex was not talked about except as being nasty dirty or sinful. In addition, sex was considered taboo and it was forbidden to discuss it. A great number of Christians bring this attitude into their marriage. This book is for couples who have this type of background. The Bible says Marriage is honorable in All and the bed is undefiled Hebrews 13:4. And it also says in Proverbs 5:19 Let her breast satisfy thee at all times. I am writing from my experience because I was a victim of this kind of teaching both from home and church and I brought my ignorance right into my marriage. However, when I realized how little I knew about pleasing my wife, I couldn't help but feel bad. I thought surely I knew all there was to know about satisfying a woman. NOT. When I spoke to men about their knowledge of sexual satisfaction, they quickly reminded me that they knew what they were doing. So when I realized that I needed help, I read about it, asked both men and women about it, and took classes. In spite of all my research, I am still learning, but I know a whole lot more than I knew before, and a whole lot more than a lot of men who did not seek help. I must warn you that not everyone will be able to accept this book because I will be using some very plain language, but I will try to keep it simple and easy to understand. Most of what I am writing will be from personal experience, but some from the knowledge I've gained from books, classes, and research. I want to make it perfectly clear, you may not be able to do all that is talked about in this book, but just take the part that you can use. I can assure you that if you follow the instructions written in this book, your marriage can be saved.

Volume 12, Tome V: Kierkegaard's Influence on Literature, Criticism and Art Jon Stewart, 2016-12-05. While Kierkegaard is primarily known as a philosopher or religious thinker, his writings have also been used extensively by literary writers, critics, and artists. This use can be traced in the work of major cultural figures not just in Denmark and Scandinavia but also in the wider world. They have been attracted to his creative mixing of genres, his complex use of pseudonyms, his rhetoric and literary style, and his rich images, parables, and allegories. The present volume documents this influence in the different language groups and traditions. Tome V treats the work of a heterogeneous group of writers from the Romance languages and from Central and Eastern Europe. Kierkegaard has been particularly important for Spanish literature: the Argentine writers Jorge Luis Borges, Leonardo Castellani, and Ernesto Sábato; the Mexican writer Carlos Fuentes; and the Spanish essayist and philosopher María Zambrano were all inspired to varying degrees by him. The Dane also appears in the work of Romanian writer Max Blecher, while the Portuguese author Fernando Pessoa was almost certainly inspired by Kierkegaard's use of pseudonyms. Kierkegaard has also influenced diverse literary figures from Central and Eastern Europe. His influence appears in the novels of the contemporary Hungarian authors Péter Nádas and Péter Esterházy; the work of the Russian writer and literary critic Mikhail Bakhtin; the Polish writer Witold Gombrowicz; and the Czech novelist Ivan Klíma. Tome V also examines how Kierkegaard's treatment of the story of Abraham and Isaac in *Fear and Trembling* interested the Polish-born Israeli novelist Pinchas Sadeh.
