this knowledge alive and relevant **The Journal of Leo Tolstoi: 1895-1899** graf Leo Tolstoy,1917 The ultimate meaning of the Russian Revolution which took place in March 1917 can be best understood through the pages of the Journal of Leo Tolstoi which is here printed The spiritual qualities which make up the mind and personality of Tolstoi are the spiritual qualities which make up the new era among men which is being waged so painfully and so uncompromisingly at the present moment on the soil of Russia One holds the key to the other for no land but Russia could have produced a Tolstoi and in no land but Russia could Tolstoi have been so embraced and so absorbed They are both flesh of each other s flesh and I place them equally in greatness against each other Great and wonderful as is the Russian people so Tolstoi was as great and wonderful as the Russian people I say this knowing well the pain and impatience both felt for each other in the long eighty two years of Tolstoi s life here but it was the pain and the impatience of great love and infinite understanding of feeling and knowing each other s pulse beats and not the misunderstanding of strangers
