Jews, Nazis and the Cinema of Hungary David Frey,2017-02-28 Between 1929 and 1942 Hungary s motion picture industry experienced meteoric growth It leapt into Europe s top echelon trailing only Nazi Germany and Italy in feature output Yet by 1944 Hungary s cinema was in shambles internal and external forces having destroyed its unification experiments and productive capacity This original cultural and political history examines the birth unexpected ascendance and wartime collapse of Hungary s early sound cinema by placing it within a complex international nexus Detailing the interplay of Hungarian cultural and political elites

What does it mean for someone or something to be Hungarian People in Hungary grappled with this far reaching question in the wake of the losses and transformation brought by World War I Because the period also saw the rise of cinema audiences filmmakers critics and officials often looked at films with an eye to that question too Did the Hungary seen on screen represent the Hungary they knew from everyday life And crucially did the major role played by Jewish Hungarians in the film industry make the sector and its creations somehow Jewish rather than Hungarian Jews it was soon decided could not really be Hungarian and acts of Parliament soon barred them from taking major roles in cinema production This book tells the troubled story of that period in Hungarian cinematic history taking it up through World War II **Culture and Customs of Hungary** Oksana Ritz-Buranbaeva, Vanja Mladineo, 2011-09-22 This book provides a one stop introduction to the history culture and personalities of Hungary a fascinating country located at the heart of Europe and born at the crossroads of civilizations Hungary today is most certainly a Central European nation in terms of a modern geopolitical and cultural understanding of Europe Additionally it has occupied a central position in the constellation of European kingdoms for centuries The story of Hungary is about a country at the heart of Europe geographically as well as culturally and of a people quite distinct from their eastern and western neighbors yet irrevocably intertwined with them in terms of their histories and futures Culture and Customs of Hungary is an absolute must have for high school public and undergraduate library bookshelves Readers will explore Hungary s fascinating contemporary life and culture in this unique and all encompassing reference work that highlights the most important Hungarian historical personalities and explains their role in the development of Hungarian culture and society as well as their standing in modern Hungary Topics covered include history art including literature architecture film and music customs and traditions modern society and culture media gender roles language and religion **East European Cinemas** Anikó Imre, 2005-09-14 Eastern Europe has produced rich and varied film cultures Czech Hungarian and Serbian among them whose histories have been intimately tied to the transition from Soviet domination to the complexities of post Communist life This latest volume in the AFI Film Readers series presents a long overdue reassessment of East European cinemas from theoretical psychoanalytic and gender perspectives moving the subject beyond the traditional area studies approach to the region s films This ambitious collection situating Eastern Europe s many cinemas within global paradigms of film study will be an essential work for all students of cinema and for anyone interested in the relation of film to culture and society *Hungarian Cinema* John Cunningham, 2004 Hungarian cinema has often been forced to tread a precarious and difficult path Through the failed 1919 revolution to the defeat of the 1956 Uprising and its aftermath Hungarian film makers and their audiences have had to contend with a multiplicity of problems In

the 1960s however Hungary entered into a period of relative stability and increasing cultural relaxation resulting in an astonishing growth of film making Innovative and groundbreaking directors such as Mikl s Jancs Hungarian Rhapsody The Red and the White Istv n Szab Mephisto Sunshine and M rta M szaros Little Vilma The Last Diary emerged and established the reputation of Hungarian films on a global basis This is the first book to discuss all major aspects of Hungarian cinema including avant garde animation and representations of the Gypsy and Jewish minorities
