

UNIT 3: INFORMATIONAL

WRITING LESSON 3.4 Topic Sentence & Information

WRITING

I will be able to write a topic sentence and information.

GRAMMAR

I will be able to write sentences to answer a question.

SELF-REGULATION

I will use positive self-talk when something is difficult.

SAY: Writers don't always know how to spell every single word they want to write. Writers spell words the best they can! **TEACH:** Teach each strategy briefly.
STUDENTS: Turn and talk to share what spelling strategies they have used or like to use.
Teacher note: If there are other strategies you want students to use, feel free to add them here. Try not to give students too many choices or they can get overwhelmed.
 Go over today's objectives with the students.

SAY: We have been learning about informational writing. Informational writing teaches, informs, or explains. It has true information and facts. **STUDENTS:** Turn and talk to discuss questions on the slide. **SAY:** The first part of our informational organizer, TIDE, is the Topic sentence. The topic sentence tells the reader what they are going to read and learn about in the writing. **TEACH:** Read the sentence starters for a topic sentence. Model writing a topic sentence. For the writing you started working on yesterday about how a baseball is made. **STUDENTS:** Write the topic sentence on their paper. **SAY:** After the topic sentence, informational writing needs the information and facts! All of the information needs to connect to the topic. These notes are from the video we saw and provide a model about making a baseball. We need to turn them into complete sentences to come after our topic sentence. **TEACH:** Model turning the notes on the organizer into complete sentences. **STUDENTS:** Write the sentences on their paper.

SAY: We are going to practice matching topics to the information that goes with the topic! When we write informational pieces, we need all of the facts and details to go with the topic so our reader can learn and understand easily.
TEACH: Explain the activity to students from the directions on the slide.
STUDENTS: Complete the activity with teacher guidance.
 Go over positive self-talk using the slide.

SAY: You each have a list of topics that you know a lot of information about from our last lesson. Today you will choose a topic that you would like to write about.
TEACH: Remind students of the think, say, write routine. Explain the steps for today.
STUDENTS: Write informational sentences in the T and I boxes on the TIDE organizer about the topic of their choosing.

Students can write notes in the TIDE spaces rather than sentences if needed.
 Students can use sentence starters as needed.

Students can write additional pieces of informational facts about the topic they selected, or plan more than one informational writing piece.
