## Writing For The Twilight Zone:

*Writing for the Twilight Zone* George Clayton Johnson, 1980      **Twilight Zone** Harlan Ellison, Whitley Strieber, Peter Crowther, Joe R. Lansdale, Loren Estleman, Peter S. Beagle, Laura Lippman, 2009-08-12 An original anthology celebrating Rod Serling's landmark television series featuring stories by Whitley Strieber, R. L. Stine, Laura Lippman and others. When it first aired in 1959, *The Twilight Zone* was nothing less than groundbreaking television, freed from much of the censors' strict oversight because of the show's classification as science fiction. The 156 filmed episodes explored powerful and moving human themes: love, hate, pride, jealousy, terror. In their own unique style, the show has since inspired two revivals, as well as fiction, comic books, and magazines, and even a pinball game and theme park rides. Just as important, it sparked the imaginations of countless writers, filmmakers, and fans around the world and is considered a seminal show for broadening the horizons of television. This anthology is an all-new collection of stories written in the vein of the original television show. Edited and introduced by Carol Serling, it includes brand-new stories by science fiction and fantasy luminaries such as Whitley Strieber, Loren D. Estleman, Joe Lansdale, R. L. Stine, Timothy Zahn, and Peter S. Beagle, as well as writers from the original series: Earl Hamner and Harlan Ellison, all in honor of Rod's incredible vision.      [The Season to Be Wary](#) Rod Serling, 2014-01-18 *The Season To Be Wary* is unique in that it is one of the first examples of Rod Serling publishing stories he created first in narrative form. This collection of three novellas provides poignant insights into the human condition with all its moral and ethical dilemmas. Of the three, *Escape Route* and *Eyes* were included in the pilot for *The Night Gallery* with the latter starring Joan Crawford and directed by new comer Steven Spielberg. Darkly disturbing, these stories remain relevant today.      [Richard Matheson's The Twilight Zone Scripts](#) Richard Matheson, 2002 Scripts of episodes of the television series,      **Richard Matheson's The Twilight Zone Scripts** Richard Matheson, 2001 Scripts credited to Richard Matheson for the *Twilight Zone* series, versions not identified      **Rod Serling** Nicholas Parisi, 2018-10-24 Long before anyone had heard of alien cookbooks, gremlins on the wings of airplanes, or places where pig-faced people are considered beautiful, Rod Serling was the most prestigious writer in American television. As creator, host, and primary writer for *The Twilight Zone*, Serling became something more than an American icon. When Serling died in 1975 at the age of fifty, he was the most honored, most outspoken, most recognizable, and likely the most prolific writer in television history. Though best known for *The Twilight Zone*, Serling wrote over 250 scripts for film and television and won an unmatched six Emmy Awards for dramatic writing for four different series. His filmography includes the acclaimed political thriller *Seven Days in May* and cowriting the original *Planet of the Apes*. In great detail and including never-published insights drawn directly from Serling's personal correspondence, unpublished writings, speeches, and unproduced scripts, Nicholas Parisi explores Serling's entire massive body of work. With a foreword by Serling's daughter, Anne Serling, *Rod Serling: His Life, Work, and Imagination* is part biography, part videography, and part critical analysis. It is a painstakingly researched look at all of Serling's work in and out
