To which is Added, a Selection of Masonic Songs ... Revised ... with ... Additions ... from the Original of the Late Laurence Dermott ... by Thomas Harper ... Eighth Edition** Freemasons, 1813 *Masonry Defined* C. S. Lippincott, 1926 [Illustrations of Masonry](#) William Preston, 1829 [The 33 Principles Every Mason Should Live By](#) C. Fred Kleinknecht Jr, 2017-11-04 In 1947 Fred took a job at the House of the Temple literally learning the Scottish Rite from the ground floor to eventually becoming Grand Commander He was Grand Commander from October 23 1985 to October 7 2003 Fred wanted the organization to be first class in all of its endeavors He would often say because Freemasonry lives not just for today but for generations to come we must be first class in whatever we do Fred rebuilt the Rite s endowment infrastructure and helped generate forty seven state and local Scottish Rite Foundations Internationally Fred restored a regular Scottish Rite presence in Portugal and established new Supreme Councils in Togo and the Ivory Coast He reestablished the Scottish Rite in Bulgaria Croatia the Czech Republic Hungary Poland Russia Slovenia and Romania Fred was a true people person making lasting friendships wherever he went and helping others along the way Fred had a paperweight on his desk with his favorite quote You can accomplish much if you don t care who gets the credit These 33 principles are what all Freemasons should live by they are the true meaning of Freemasonry This book will not only benefit the Freemason but everyone can profit I pass this along to you as a record of the Kleinknecht legacy of leadership Also included is an appendix containing powerful messages published in the New Age Scottish Rite Journal written by Grand Commander Kleinknecht 33 **The Meaning Of Masonry (Annotated Edition)** W. L. Wilmhurst, 2013-10-17 This most interesting and illuminative work is worthy a place on every Mason s bookshelf It seems taken for granted says the author that reception into the Order will automatically be accompanied by an ability to appreciate forthwith and at its full value all that one there finds The contrary is the case for Masonry is a veiled and cryptic expression of the difficult science of spiritual life and the understanding of it calls for special and informed guidance on the one hand and on the other a genuine and earnest desire for knowledge and no small capacity for spiritual perception on the part of those seeking to be instructed In Freemasonry as in all phases of life many are called but few are chosen Masonry is not a mere formalism but a life to be lived If you do not live the life you cannot know the doctrine Masonry is an effort to perpetuate the essential doctrines of the Ancient Mysteries but alas it does so in a very

perfunctory manner So veiled are its allegories and symbols that it is almost impossible to penetrate into the Holy of Holies
