Types In The Old Testament:

A Dictionary of Bible Types Walter L. Wilson, 1999-01-01 Bible typology is the systematic classification of Bible terms concepts and people that have common characteristics or traits A Dictionary of Bible Types examines over 1 000 types shadows signs symbols pictures figures and patterns in the Bible with topics ranging from Aaron to Yoke This useful resource for teachers study groups and pastors provides explanations for over 6 000 different Scripture passages Examine the over 1 000 different types in over 6 000 different Bible passages Learn new truths about the Bible that may have been hidden or unclear before Discover how knowledge of certain traits and types can lead to understanding the Bible more deeply The Figures Or Types of the Old Testament, by Which Christ and the Heavenly Things of the Gospel Were Preached and Shadowed to the People of God of Old Samuel Mather, 2017-10-25 Excerpt from The Figures or Types of the Old Testament by Which Christ and the Heavenly Things of the Gospel Were Preached and Shadowed to the People of God of Old Explain d and Improv d in Sundry Sermons It i not expe ted that every one much lef critical and captifi our Head will fihazfirihe to every thing which they may here meet with In fo difiufi andvall and withal fo ohfi ure asuhje f and h untrodden a Path it i no wonder ifevery one wih not tread in jufti the fame flep with him 3 for there are fhme Thing wherein he depart from the Sentiment of fome other learned and judi Ciou Perfon Hi making fame of the old legal Ordinance Type of the in ituted Church and Ordinance under the New Tefiament and our Ordinance the Antitype of it may he Some may not a fent unto following therein Ames Prol In Pf 2 And Mr Jeans who exam Exam P Cite Chamier tom 4 L 9 Or 1 Bed 13 15 Pag 51 5 T ilenus Syntag Parr Ult Difp 63 Seft 12 Ames Bellarm Enerv Torn 4 C 7 To which he might have added thofie Word of hi tom 3 1ib 1 And lib 2 Cap 4 thef 4 But Otherththere are who go with thi our Author See 3623412 I Cor Io 6 And on I Pet 3 21 And Mr Cotten holinefs ofchurch fe t I2 and 13 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Devotional Studies of Old Testament Types Fred Wight, 2014-03-03 THE MATERIAL in these studies has been given as lessons in Bible study classes or sermons preached from the author s pulpit through the course of many years It has been brought together in this form that it might be a help to busy pastors and Bible teachers in their preparation of messages and that it might be of practical and devotional value for all Bible students and Christian workers who want to understand the rich teaching of Old Testament types The author does not claim to have exhausted the possible types of the Old Testament in these studies But he has endeavored to deal with some sections of Scripture that without the typical approach would find little of practical application for the Christian today For this reason

the chapter dealing with types in Leviticus has been made the longest chapter in the book We trust that that book of the Bible will mean more to the reader after studying this chapter The study of the Tabernacle in the Wilderness from the typical viewpoint has always been a joy to the hearts of Bible students But the author has discovered that a study of the typical truths of Solomon s Temple is equally valuable and precious We suggest that Bible teachers give more attention to this neglected subject These studies are of necessity fairly brief Many Scriptures have been included that throw light on the particular subject But the material herewith presented should be suggestive and wise students of Scripture can add other details to what has been given May the Lord use these studies to help many to understand and make practical application of Old Testament truth to the lives of modern day Christians

The Figures Or Types of the Old Testament Samuel Mather,1705
Types of Christ in the Old Testament Kenneth E. Trent D.D.,2010-06 The Old Testament is a mysterious and difficult portion of the Bible for many readers even serious ones and this perceived obscurity can sometimes lead readers to ignore the Old Testament in their personal study In this second edition of Types of Christ in the Old Testament Kenneth E Trent DD and pastor of Second Baptist Church of Channelview Texas restores to readers an understanding of some of the richest blessings found in the Word of God Types of Christ in the Old Testament exalts the Lord Jesus Christ by identifying the Person behind the images and symbols Trent discusses the more prominent symbols of Christ including objects places and people and he presents them so as to provide the basis for a year of study in a small group setting Each chapter organized in outline form can also be used as a stand alone study or as part of a Bible study series Glimpsing the pre incarnate Christ through reflection and study of the Old Testament will do much to delight the soul Even so we must have the illuminating power of Christ if we are to fully and properly understand the Scriptures There is great wealth and untold riches to be found in the Scriptures if we permit the Holy Spirit to guide us into all truth
