The Addiction Recovery Handbook Richard W. Clark, 2020-09-28 What Richard Clark presents in *The Addiction Recovery Handbook* Understanding Addiction and Culture is long overdue Since 1939 Bill Wilson's important and influential books *Alcoholics Anonymous* and *AA's Twelve Steps and Twelve Traditions* have helped millions of people struggling with addiction to recover In more than 80 years since then a lot has changed the definition of addiction its demographics social attitudes to addiction politics religious influence treatment modalities and the epidemiology of the illness These have taken tolls on our modern network of relationships and treatment that culture and community now depend upon *The Addiction Recovery Handbook* examines the changing historical views of addiction outlines how this culture developed its contemporary perceptions and values and how society contributes to this growing problem Richard Clark proposes AA's traditional religious model of God's help and forgiveness can no longer address the needs of a diverse and largely irreligious society where atheism is becoming mainstream His updated analysis of the traditional AA approach proposes that self understanding and awareness through knowledge and education psychology and compassion be the significant components of any recovery framework This will guide both caregivers and addicts to develop expertise regarding more successful treatment and recovery protocols This would be in a supportive environment of self knowledge and mutual respect whether theist or atheist All concerned will acquire the ability to live a spiritual life which is clearly defined *The Addiction Recovery Handbook* is an interesting and readable book and is intended for everyone addicts medical professionals counsellors therapists clients sponsors social workers family members partners friends employers every stakeholder in a healthy non judgmental society that cares about the wellbeing of all its members

Helping the Addict You Love Laurence M. Westreich, MD,2007-04-17 It s okay to love them It s your right to help them
Addiction destroys people and can even end lives When you know or suspect that someone you love is suffering from
addiction you have two goals getting your loved one into treatment and turning that treatment into full fledged sobriety Many
addiction experts tell you that you have to disengage or risk being an enabler a codependent bystander in the wreckage of an
addict s life that you have to cut all ties or be taken advantage of financially and emotionally that you have to protect yourself
from your loved one who isn t the person you used to know But many friends and family members find it unnatural even
impossible to turn away from a person they love who is at his lowest point and refuse to believe that their addict is lost to
addiction Backed by his years of experience Dr Westreich guides you through the process of getting the addict you love on
the road to treatment and recovery He provides detailed scripts to lead you through pivotal conversations with the addict in
your life highlighting the words that he s found to be most effective and the words to avoid With this book in hand family and
friends will know for example how to motivate their addict to recognize his problem based on the addict s own definition of
what addiction looks like how to raise the bottom that addicts so often must hit to a more acceptable level such as
embarrassment job loss or ill health and when to use gentle disagreement quiet listening or forceful confrontation to move
the addict toward treatment while managing and protecting their own emotions Dr Westreich also shows you how to engage
a therapist in the process and provides methods for combating an addict s defense mechanisms By outlining several
treatment options he helps you to weigh what each can and cannot accomplish which is the most effective treatment for the
kind of addiction you are dealing with what each treatment requires of the recovering addict and the friend or family member
and how successful each is Dr Westreich also takes care to discuss the kinds of special situations you may face when the
addict in your life in addition to having a substance abuse problem is a minor is pregnant has mental or medical diseases or
has other issues that are likely to affect recovery *Helping the Addict You Love* is the guide that so many loved ones of addicts
