The Library Dragon:

The Library Dragon Carmen Agra Deedy, 2012-08-07 Miss Lotta Scales is a dragon who believes her job is to protect the school's library books from the children but when she finally realizes that books are meant to be read the dragon turns into Miss Lotty librarian and storyteller Read by the author Simultaneous *The Library Dragon (30th Anniversary Edition)*

Carmen Agra Deedy, 2024-10-01 A funny playful salute to the value of books and libraries from the New York Times best selling and beloved author Carmen Agra Deedy Sunrise Elementary School had a BIG problem Their new librarian was a real Dragon When Miss Lotta Scales read an ad for a thick skinned librarian with a burning love of books she knew she was perfect for the job After all who could guard books better than a real dragon She took her job seriously hundreds of new clean books replaced the old smudged ones The thought of sticky little fingers touching and clutching her precious books made her hot under the collar The principal tried to reason with her and she singed his tie The teachers sent a delegation including sweet Miss Lemon who told her the library belongs to the children but they were all sent away scorched When nearsighted Molly Brickmeyer stumbled into the library looking for her glasses she bumped into a shelf and a book tumbled into her hands As she began to read aloud and the children came to listen they came face to face with Miss Lotta Scales Could a book read out loud temper the flames of the school's hot headed librarian Often used to introduce the library during the first week of school this classic picture book is reissued with an author's note and a QR code to access an audio recording read by the author

Return of the Library Dragon Carmen Agra Deedy, 2012-08-07 In this witty sequel to the beloved classic *The Library Dragon* Miss Lotty is finally checking herself out of the Sunrise Elementary School Library but not before Lotta Scales makes one final fiery appearance After 557 years of faithful service Miss Lotty is retiring from guarding books But on her very last day disaster strikes Someone has ordered all the books to be removed from the library and replaced with machines It's enough to make Lotty feel a little dragon like After she bursts into a fiery rage can anything make her shed her scales again Best selling author Carmen Agra Deedy's timely and humorous tale is paired with Michael P White's lively illustrations to create an unforgettable sequel with an important message for librarians and students alike
