**The Lincoln Image** Harold Holzer, G. S. Boritt, Mark E. Neely, 1984 A fascinating examination of the relationship between Lincoln's image, the printmaker's craft and the political culture that helped shape them both. The Lincoln Image documents how printmakers both chronicled and influenced the president's transformation into an American icon. 106 photos.

**The Lincoln Image** Lincoln National Life Insurance Company, 1984\* **The Lincoln Image** National Endowment for the Humanities, 1984 Pamphlet advertises exhibition of prints of Abraham Lincoln at Gettysburg College, Brown University, Fort Wayne Museum of Art. Bézier and Splines in Image Processing and Machine Vision Sambhunath Biswas, Brian C. Lovell, 2007-12-20 Digital image processing and machine vision have grown considerably during the last few decades. Of the various techniques developed so far, splines play a significant role in many of them. This book deals with various image processing and machine vision problems efficiently with splines and includes the significance of Bernstein Polynomial in splines, detailed coverage of B-splines applications which are relatively new, Splines in motion tracking, various deformable models and their uses. Finally, the book covers wavelet splines which are efficient and effective in different image applications.

**From Rail-splitter to Icon** Gary L. Bunker, 2001 A copiously illustrated history of the development of Lincoln's public profile. From Rail Splitter to Icon is enriched by editorial, news, poetic and satirical content from contemporary periodicals artfully woven into a topical narrative. The Lincoln images originally appearing in such publications as Budget of Fun, Comic Monthly, New York Illustrated News, Phunny Phellow, Southern Punch and Yankee Notions significantly expand our understanding of the evolution of public opinion toward Lincoln, the complex dynamics of Civil War popular art and culture, the media, political caricature and presidential politics. Because of the timely emergence and proliferation of the illustrated periodical and the convergence of representational technology and sectional conflict, no previous president could have been pictured so fully. But Lincoln also appealed to illustrators because of his distinctive physical features. One could scarcely conceive of a similar book on James Buchanan, his immediate predecessor. Despite ever improving techniques, Lincoln's pictorial prominence competed favorably with any succeeding president in the nineteenth century. **Lincoln Lessons** Frank J. Williams, William D. Pederson, 2009-01-02 In Lincoln Lessons, seventeen of today's most respected academics, historians, lawyers and politicians provide candid reflections on the importance of Abraham Lincoln in their intellectual lives. Their essays, gathered by editors Frank J. Williams and William D. Pederson, shed new light on this political icon's remarkable ability to lead and inspire two hundred years after his birth. Collected here are glimpses into Lincoln's unique ability to transform enemies into steadfast allies, his deeply ingrained sense of morality and intuitive understanding of humanity, his civil deification as the first assassinated American president and his controversial suspension of habeas corpus during the Civil War. The contributors also discuss Lincoln's influence on today's emerging democracies, his lasting impact on African American history and his often overlooked international legend, his power to instigate change beyond the boundaries of his

native nation While some contributors provide a scholarly look at Lincoln and some take a more personal approach all explore his formative influence in their lives What emerges is the true history of his legacy in the form of first person testaments from those whom he has touched deeply Lincoln Lessons brings together some of the best voices of our time in a unique combination of memoir and history This singular volume of original essays is a tribute to the enduring inspirational powers of an extraordinary man whose courage and leadership continue to change lives today Contributors Jean H Baker Mario M Cuomo Joan L Flinspach Sara Vaughn Gabbard Doris Kearns Goodwin Harold Holzer Harry V Jaffa John F Marszalek James M McPherson Edna Greene Medford Sandra Day O Connor Mackubin Thomas Owens William D Pederson Edward Steers Jr Craig L Symonds Thomas Reed Turner Frank J Williams

**Film and the American Presidency** Jeff Menne,Christian B. Long,2015-02-20 The contention of Film and the American Presidency is that over the twentieth century the cinema has been a silent partner in setting the parameters of what we might call the presidential imaginary This volume surveys the partnership in its longevity placing stress on especially iconic presidents such as Lincoln and FDR The contributions to this collection probe the rich interactions between these high institutions of culture and politics Hollywood and the presidency and argue that not only did Hollywood acting become an idiom for presidential style but that Hollywood early on understood its own identity through the presidency s peculiar mix of national epic and unified protagonist Additionally they contend that studios often made their films to sway political outcomes that the performance of presidential personae has been constrained by the kinds of bodies for so long white and male that have occupied the office such that presidential embodiment obscures the body politic and that Hollywood and the presidency may finally be nothing more than two privileged figures of media age power

**Lincoln's Campaign Biographies** Thomas A. Horrocks,2014-03-31 During the 1860 and 1864 presidential campaigns Abraham Lincoln was the subject of over twenty campaign biographies In this innovative study Thomas A Horrocks examines the role that these publications played in shaping an image of Lincoln that would resonate with voters and explores the vision of Lincoln that the biographies crafted the changes in this vision over the course of four years and the impact of these works on the outcome of the elections Horrocks investigates Lincoln s campaign biographies within the context of the critical relationship between print and politics in nineteenth century America and compares the works about Lincoln with other presidential campaign biographies of the era Horrocks shows that more than most politicians of his day Lincoln deeply appreciated and understood the influence and the power of the printed word The 1860 campaign biographies introduced to America Honest Abe the Rail Splitter a trustworthy rugged candidate who appealed to rural Americans When Lincoln ran for reelection in 1864 the second round of campaign biographies complemented this earlier portrait of Lincoln with a new paternal figure Father Abraham more appropriate for Americans enduring a bloody civil war Closing with a consideration of the influence of these publications on Lincoln s election and reelection Lincoln s Campaign Biographies provides a new

Brown, 2011-11-15 In 1961 the historian and poet Robert Penn Warren remarked that the Civil War is for the American imagination the great single event of our history This volume reconsiders whether fifty years later Warren's claim still holds true Essays from specialists in art literature and history examine how contemporary culture represents and interprets the Civil War They look at the works of more than thirty artists and writers as well as multiple movements political and social to reveal the many and provocative ways in which Americans engage the Civil War today The book includes chapters on the place of Abraham Lincoln in Barack Obama's presidential campaign controversies over the symbolism of the Confederate flag and the proliferation of Juneteenth observances *Remixing the Civil War* pays special attention to the works of African Americans and white southerners for whom the Civil War was a revolutionary and defining moment Such prominent scholars as Robert H Brinkmeyer Jr W Fitzhugh Brundage Kirk Savage and Elizabeth Young explore the works of major artists and lesser known figures including Bobbie Ann Mason Kara Walker Dario Robleto and John Huddleston The authors find that Americans today openly and playfully manipulate familiar images of the Civil War to explore the malleability

and permeability of traditional social categories like national identity gender and race This collection continues the conversation Warren began fifty years ago although taking it in unorthodox and challenging directions to offer fresh and stimulating perspectives on the war s presence in the collective imagination of the nation *The Sepulchre of Christ in Art and Liturgy* Neil Conwell Brooks,1921 **University of Illinois Studies in Language and Literature** ,1921 **The Moving Picture World** ,1915 **Sir Robert Howard's Comedy, "The Committee"** Sir Robert Howard,1921
