The Reconstruction:

The Era of Reconstruction Kenneth M. Stampp, 1967-10-12 Stampp's classic work offers a revisionist explanation for the radical failure to achieve equality for blacks and of the effect that Conservative rule had on the subsequent development of the South Refuting former schools of thought Stampp challenges the notions that slavery was somehow just a benign aspect of Southern culture and how the failures during the reconstruction period created a ripple effect that is still seen today Praise for *The Era of Reconstruction* This brief political history of reconstruction by a well known Civil War authority is a thoughtful and detailed study of the reconstruction era and the distorted legends still clinging to it Kirkus Reviews It is to be hoped that this work reaches a large audience especially among people of influence and will thus help to dispel some of the myths about Reconstructions that hamper efforts in the civil rights field to this day Albert Castel Western Michigan University [History of the Reconstruction Period, 1865-1877](#) James Schouler, 1913 [The Reconstruction Period](#) Peter Joseph Hamilton, 1905 *Coming for to Carry Me Home* J. Michael Martinez, 2011-12-22 *Coming for to Carry Me Home* examines the history of the politics surrounding U S race relations during the half century between the rise of the abolitionist movement in the 1830s and the dawn of the Jim Crow era in the 1880s J Michael Martinez argues that Abraham Lincoln and the Radical Republicans in Congress were the pivotal actors albeit not the architects that influenced this evolution To understand how Lincoln and his contemporaries viewed race Martinez first explains the origins of abolitionism and the tumultuous decade of the 1830s when that generation of political leaders came of age He then follows the trail through Reconstruction Redemption and the beginnings of legal segregation in the 1880s This book addresses the central question of how and why the concept of race changed during this period [Letter from the Secretary of the Treasury, Transmitting His Annual Report on the State of the Finances](#) United States. Department of the Treasury, 1937 *The Reconstruction Era* Donna L. Dickerson, 2003-12-30 As the sole purveyors of news and opinion Reconstruction era newspapers bent and spindled American public opinion with little regard for independent journalism and great regard for party politics In other words the newspapers of the Reconstruction era served political rather than social needs The issues facing the nation were momentous and opinions on how to deal with the problems were vigorously presented and defended Using editorials letters essays and news reports that appeared throughout the country's print media this book reveals how editors politicians and other Americans used the press to influence opinion from 1865 to 1877 Issues such as civil rights constitutional amendments a presidential impeachment Indian wars immigration and political corruption dominated the newspapers and gave journalists opportunities to advance their agendas Each of the 30 chapters of this book introduces an event or issue and includes news articles representing opposing sides of the issue as it affected Americans Readers can use the introductory essays and primary source documents to understand how newspapers and magazines presented vital events and issues to Americans of the day This invaluable reference source presents hard to find opinions in the words of those who wrote them **History of**
