The Righteous:

Beatitude of the Righteous Olushina T. Olotu,2007-04-01 As we behold our bright hope from the blue sky in sigh for our ecstasy Land of mirth where our joy will know no bounds we shall see through the talking white wall the stream of our wealth grace and regal elegance in the promises of God that shine in bright letters Let us embrace this beckon light that guides us to where still waters glide that polishes rays of joy on our open hearts of faith and makes our portals cheerful There is always an experience that will clear our clouded skies and make us sing jubilant psalms soar upward for aye on wings like a dove and our summer flowers will blossom again As our calm lake mirrors the fair haven of our redemption It will be our glad story Our heart will beat high with joy as we trace the rainbow of our beatitude thru the rain of these rich words of hope It is this providential privilege to join the victors band where life is grand that this book brings to you You will never forget this Experience of the Beatitude of the Righteous

Larkin,1921 In this day of the revival of Spiritism when so many through the loss of loved ones in the Great World War are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the Holy Scriptures have revealed of the World of Spirits

The Bible has much to say about the Spirit World and if we will carefully search its pages we shall know all there is to be known in this life of the World to Come For if men will not listen to Moses and the Prophets they will not be persuaded though one rose or came back from the dead Luke 16 31 Foreword
