Blustein, Lisa Y. Flores, 2023-05-23 This collection of brief essays by thought leaders scholars activists psychologists and social scientists imagines new workplace structures and policies that promote decent and fair work for all members of society especially those who are most vulnerable The world of work has been deteriorating for decades and the very institution of work needs to be systematically understood critiqued reimagined and rebuilt This book offers thoughtful suggestions for new work arrangements individual strategies for enhancing one s work life and recommendations for innovative systemic and institutional reforms The collection offers critical analyses in conjunction with constructive solutions on rebuilding work providing direction and context for ongoing debates and policy discussions about work The book will be of interest to activists policy makers management and leaders

scholars professionals students and general readers interested work based reform efforts and social change **Tomorrow's Workers** Michael E. Borus,1983 **Training Tomorrow's Workers** ,1983 **Fast Food, Fast Track** Jennifer Parker Talwar,2009-09-09 Hailing from China the Caribbean Latin America and India a colorful sea of faces has taken its place behind one of the most ubiquitous American business institutions the fast food counter They have become a vital link between the growing service sector in our cities ethnic enclaves and the multi billion dollar global fast food industry For four years sociologist Jennifer Parker Talwar went behind the counter herself and listened to immigrant fast food workers in New York City s ethnic communities They talked about balancing their low paying jobs and monotonous daily reality with keeping the faith that these very jobs could be the first step on the path to the American Dream In this original and compelling work of ethnography Talwar shows that contrary to those arguing that the fast food industry only represents an increasing homogenization of the American workforce fast food chains in immigrant communities must and do adapt to their surroundings **Social Security and the Middle-Class Squeeze** Leonard J. Santow,Mark E. Santow,2005-09-30 At the outset of his second term President Bush s proposal to partially privatize Social Security has touched off a debate of enormous proportion Disentangling the rhetoric and hyperbole from fact is essential for anyone trying to evaluate the potential merits or pitfalls of the plan Leonard and Mark Santow a father and son team who integrate two different political viewpoints fiscally conservative and socially liberal respectively offer specific recommendations for improving Social Security Medicare and Medicaid in socially responsible ways that relieve some of the stress on the middle class and promote upward mobility Explaining sophisticated economic concepts in layman s terms the Santows expose myths about how entitlement programs actually work arguing for example that while the financial state of Social Security gets most of the press Medicare and Medicaid are in much more serious trouble They integrate conservative and liberal viewpnts to propose a package of reforms that includes both tax cuts and increases and an overhaul of the government s economic forecasting system Synthesizing mountains of data and explaining sophisticated economic concepts in layman s terms the Santows expose myths about how entitlement programs actually work arguing for example that while the financial state of Social Security gets most of the press Medicare and Medicaid are in much more serious trouble Moreover they are highly critical of privatization plans demonstrating that similar programs have failed in other countries and that such plans are programs are neither fiscally nor socially sound If the American people value the common commitments that these programs embody we will need to see them as a package and fund them accordingly In response to this challenge the Santows integrate conservative and liberal viewpoints to propose a package of reforms that includes both tax cuts and increases and an overhaul of the government s economic forecasting system Featuring a timeline of key events since Franklin Roosevelt signed the Social Security Act in 1935 and an appendix of data tables the authors offer a primer for concerned citizens policymakers educators students and finance professionals anyone with a stake in designing a system that pays for these essential programs in an equitable
