**Chris Bledsoe's Story** Cole Guides, 2026-03-07 On January 8 2007 Chris Bledsoe a deeply religious family man from North Carolina knelt by the Cape Fear River broke sick and desperate He cried out to God for help What answered changed his life forever A UFO appeared Four hours vanished His chronic illness was healed And the five men who witnessed the events that night fled the riverbank in terror as multiple objects pursued them home That was only the beginning In the years that followed the CIA took notice NASA sent investigators Retired military colonels vouched for his credibility The Vatican paid

attention Luminous orbs began appearing over his property night after night year after year A mysterious feminine figure Bledsoe calls the Lady delivered messages of divine love and spiritual urgency And everyone who came in contact with the Bledsoe family intelligence officers researchers Washington power brokers found their understanding of reality permanently altered The government listened when no one else would The question is Why This companion guide takes you chapter by chapter through the extraordinary events documented in Chris Bledsoe s UFO of GOD examining the encounters the evidence and the spiritual dimensions of one of the most thoroughly investigated and enduring contact cases in modern history Drawing on publicly available testimony from former CIA Senior Intelligence Officer Jim Semivan retired U S Army Colonel John B Alexander PhD and the broader intelligence community this book places Bledsoe s experiences within a biblical framework that will challenge and deepen the faith of every reader willing to engage honestly Are the luminous orbs and celestial beings described in the Old Testament being witnessed today This book examines the evidence from the pillar of fire in Exodus to Ezekiel s wheels within wheels and asks whether the phenomena Chris Bledsoe has experienced belong to the same category of divine activity that Scripture has been describing for millennia The parallels are specific sustained and too consistent to dismiss Inside this book you will discover How a desperate prayer on the banks of the Cape Fear River opened a door that has never closed and why the U S intelligence community has spent nearly two decades walking through it The biblical case for luminous aerial phenomena as instruments of divine communication from Genesis to Revelation Why the CIA NASA and the Vatican all converged on the same rural North Carolina family and what their sustained interest reveals about what they know The Lady who she is how she connects to the centuries old tradition of Marian apparitions at Fatima and Guadalupe and what her messages mean for believers today The consciousness connection how the Monroe Institute classified remote viewing programs and the Bledsoe phenomena point toward a model of reality that science is only beginning to explore but that Scripture has affirmed for thousands of years The demonic or divine debate an honest scripture grounded evaluation using the biblical fruit test the spirit testing framework of 1 John 4 1 and nearly two decades of observable evidence What the Bledsoe case means for the Church in the age of disclosure and why believers are better equipped than anyone to lead this conversation *The Illustrated London News* ,1929 [The International Interpreter](#) Frederick Dixon,1924 [The Development of the Italian Schools of Painting](#) Raimond van Marle,1924 **Forum** ,1917

*The Last War of the Superpowers* Otinel C, Iancu,2018-01-29 The Last War of the Superpowers book takes a unique approach toward the main players and events of the drama of this world known to many as the Great Controversy between God and Satan The book begins by presenting the origin and the incipient phase of this conflict The rest of its chapters focus on the events leading up to the final climax of this universal war Using the Scriptures especially the books of Daniel and Revelation this book directs the attention of the reader toward not only past events but also toward events which are unfolding before his own eyes It enables him to see in what prophetic time he lives and what he can expect to see happening
