If you asked Gennifer Anderson and Sonja Toews that question, their answer would be this book. With more than twenty years of combined experience coordinating the VBS program for their church each summer, these two moms decided to write their own VBS programs to meet the needs of their church and offer a different program to their community other than the mainstream VBS programs that every other church in their town was offering. The result of their efforts is *Small Town VBS*. This book offers you three programs for less than the price of one manual for most other programs. Buy one book and be set for three years. Each program contains detailed information about the opening program, crafts, games, food, and skit scripts which provide humor and laughter for the closing program while tying the whole theme for the day together.
