Dracula's Cinematic Psychohistory Steven J. Walden,2025-09-12 Dracula is a recognized resilient and recurrent cultural property He is idolized loved vilified and hated as a multifaceted perennial narrative focus that involves the interplay between film as art and its psychosocial milieu Dracula s movies can thus be read as a cultural barometer reflecting the culture we create and re create in his many cinematic guises an object of attraction and terror antihero and villain lover and monster even victim and stooge This book follows Dracula s cinematic journey exploring how he continues to tap into the ever changing collective psyche of his viewers Many of those viewers may have entertained the thought that the fearful bite of the vampire might just be a worthwhile price to pay for the empowerment of being one **Proceedings of the Annual Congress of the National Prison Association of the United States** National Prison Association of the United States.

Congress,1899 *Nietzsche's Metaphilosophy* Paul S. Loeb,Matthew Meyer,2019-11-07 Renowned scholars explore and discuss Nietzsche s desire to challenge the very conception of philosophy and his methods of doing so *Proceedings of the ... Shocking Cinema of the 70s Julian Petley,Xavier Mendik,2021-11-18 This collection focuses on 1970s films from a variety of countries and from the marginal to the mainstream which by tackling various difficult subjects have proved to be controversial in one way or another It is not an uncritical celebration of the shocking and the subversive but an attempt to understand why this decade produced films which many found shocking and what it was that made them shocking to certain audiences To this end it includes not only films that shocked the conventionally minded such as hard core pornography but also those that outraged liberal opinion for example *Death Wish* and *Dirty Harry* The book does not simply cast a critical light on a series of controversial films which have been variously maligned misinterpreted or just plain ignored but also assesses how their production values narrative features and critical receptions can be linked to the wider historical and social forces that were dominant during this decade Furthermore it explores how these films resonate in our own historical moment replete as it is with shocks of all kinds *Report of Proceedings* American Correctional Association,1899 Proceedings for 1884 and 1885 include report of conference of prison officials Chicago 1884 separately paged **Games That Haunt Us**

The Nineteenth Century and After ,1921 **Nineteenth Century and After** ,1921 *Maternity, Monstrosity, and Heroic (Im)mortality from Homer to Shakespeare* Sara Burdorff,2025-10-01 This work uses an adaptation of monster theory to rethink the foundations of epic heroic immortality Rather than focusing on a specific monster or monsters the author identifies the belly monstrous as a crucial point of intersection between mothers and warriors in traditional narratives of the Trojan War Identifying the gestating digesting belly as the center of the Iliadic world this groundbreaking approach disrupts

androcentric readings of the Iliadic warrior and his ethos emphasizing the crucial role of female suffering in the generation and preservation of immortal legacy The author reconsiders ancient Greek depictions of the Trojan War and its aftermath including Homeric epic and the tragedies of Aeschylus and Euripides and illuminates the cohesive patterning of Shakespeare's mother warrior plays which place inherited Iliadic belly monstrous motifs in conversation with cultural anxieties of late Elizabethan England With meticulous scholarship and captivating analysis *Maternity Monstrosity and Heroic Im* mortality from Homer to Shakespeare redefines the relationship between mothers and warriors in the Iliadic heroic ideal paving the way for new interpretations of war grief and immortal glory in a broad range of literary and cultural contexts
