**Go Right?** Bernie Brillstein,2008-01-01 Beginning in the William Morris mail room in 1955 Bernie Brillstein wanted only three things to walk into a restaurant and have people know who I am to be the guy who gets the phone calls and doesn't

have to make them to represent the one performer people must have Throughout his long career at the top of the entertainment industry as TV and movie producer agent and brilliant personal manager Brillstein has accomplished it all

Where Did I Go Right is Brillstein's street smart funny and thoroughly human story of a life in show business With his trademark wit and candor he speaks out for the first time about his feud with Mike Ovitz and how it felt to pass the leadership of his company to his partner Brad Grey and no longer be the king He describes his close relationship with John

Belushi and what it was like being alone with Belushi's body as it lay stretched out across two cramped seats in a tiny jet wrapped up in a body bag on the way to his funeral He shares stories about Jim Hensen and Gilda Radner about Lorne

Michaels and the early days of Saturday Night Live He takes us behind the scenes at such hits as The Blues Brothers Ghostbusters and The Muppet Show Brillstein also reveals his secrets about how to survive and prosper in Hollywood the

real meaning of the art of the deal the difference between hot and good and why instinct is so crucial to the future of the entertainment industry Becoming successful is the most fun of all I'm not talking about being successful or staying successful

I mean the getting there the instant you arrive and for the first time you think Where did I go right After eight years Phoenix Books is re-releasing this bestseller with an updated epilogue from Bernie Brillstein entitled Still going right
