Kelly,1928 *Studies on the Book of Daniel* John Nelson Darby,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Studies in the Book of Daniel** Robert Dick Wilson,2018-12-18 This commentary on the Biblical Book of Daniel answers crucial questions about the significance of his prophecy and of the culture he lived among Not content with simply interpreting the prophecy of Daniel Robert Dick Wilson delves into the social historical and cultural aspects of ancient Babylonia The significance of Nebuchadnezzar II in the story of Daniel how his dreams were interpreted to become some of the most significant aspects of Old Testament prophecy is discussed Other chapters focus on the Chaldeans and their society the opposition that Babylon had to Israel Daniel himself being a captive Hebrew man taken from his homeland as a child and the possibility that Nebuchadnezzar was mentally ill The allusions to the events at the King s court in the Book of Daniel are examined in detail with conclusions drawn to the most reasonable extent possible Certain elements of the story such as Daniel being placed in a den of lions are deemed to have been likely The existence of vast prides of lions roaming the then very fertile Euphrates plains and the discovery of lion reliefs and sculpture in ancient Babylonian excavations make a specially built den of lions a distinct possibility Robert Dick Wilson was a linguist who studied the Bible Fluent in Greek Hebrew Aramaic and other ancient tongues his scholarly gifts were famous in his native Pennsylvania and beyond Part of the Presbyterian movement he spent most of his life seeking to prove the veracity and truth of the Biblical lore **Insights on the Book of Daniel** Alan B. Stringfellow,2020-12-01 For more than four decades the Bible studies taught by Dr Alan B Stringfellow 1922 1993 brought greater insight into God s Word to thousands of believers Now the author of *Through the Bible in One Year* and *Great Characters of the Bible* leads readers on a verse by verse study of the book of Daniel Stringfellow s in depth teaching will bring clarity and understanding to one of the most misunderstood books in

Scripture With this study readers will learn How to identify the major themes How to memorize key verses How to recognize God s central message An overview of various interpretations of the book s imagery The role Daniel s prophecies play in the entire biblical story By embarking on this journey believers will discover the influence that the book of Daniel had on the life and literature of the Jewish people throughout the biblical period and all the way to the writers of the New Testament including Jesus Christ Himself who often quoted from it But nowhere is that influence seen as thoroughly as in the writings of the apostle John and parallels that exist with the book of Revelation As in John s prophetic work the book of Daniel describes in beautiful and marvelous language the glorious coming of our Lord Jesus Christ Like John Daniel was sure and certain about the final triumph of the kingdom of God

Daniel and the Nato Connection Allen Bonck,2012-03 The book of Daniel must be studied to understand the end of the world Already events are unfolding that signal that the kingdom of heaven on Earth isn t far away The Antichrist also known as the Little Horn the Vile Persian the Beast and the Assyrian will start a war NATO once a purely defensive alliance will play a pivotal role in fulfilling the world s prophetic future Learn why events today are proving the prophecy true and also discover connections between the book of Daniel and the book of Revelation insights surrounding the relationship between the United States and NATO links between biblical predictions and geopolitical events God continues to use kings and leaders on earth to accomplish his will It s becoming increasingly clear that we re living in unprecedented times but Christians who understand the links between biblical prophecy and current events can rejoice knowing that the kingdom of the Lord is right around the corner

Thompson, 2020-10-28 Book of Daniel An Annotated Bibliography This volume is one of a series of bibliographies on the books of the Bible This is the first volume of the series of bibliographies described in the series introduction in this case on the Book of Daniel in the Old Testament OT or the Hebrew Scriptures fTanakh Scholars for these bibliographies have been drawn from across the Judeo Christian perspective as well as across doctrinal perspectives These bibliographies should be of value to students and faculty to laity and professional to religious and academic groups for undergraduate and graduate study They should serve a significant role as reference works in libraries for the public the university and religious groups as well as individuals *Devotion and Destiny* Walter M. Dunnnett, 1962 *Journal of the Society of Oriental Research* Society of Oriental Research, Chicago, 1925 *Journal of the Society of Oriental Research* Society of Oriental Research, 1924 **A History of the American Sunday School Curriculum** Frank Glenn Lankard, 1927 *The Walk with the Word Daniel Study Guide* D E Isom, 2020-11-21 This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one's life Formatted in a question and answer format it facilitates the process of observation what does the text say interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author's opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without building firmly on this progressive foundation of first learning Daniel then the Olivet

Discourse and finally on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime
