Studio Sex Liza Marklund, 2003-10-28 Following up her international bestseller *The Bomber* Marklund explores Annika's early days as a freelance reporter in Stockholm. When a young woman is murdered, Annika wades into the city's underworld of sex clubs and high-powered politics.

Modeling Life Sarah R. Phillips, 2012-02-01 This is a book about life modeling. Unlike the painter whose name appears beside his finished portrait, the life model posing nude perhaps for months goes unacknowledged. Standing at a unique juncture between nude and naked, between high and low culture, between art and pornography, the life model is admired in a finished sculpture but scorned for her or his posing. Making use of extensive interviews with both male and female models and quoting them frequently, Sarah R. Phillips gives a voice to life models. She explores the meaning that life models give to themselves and to their work and seeks to understand the lived experience of life models as they practice their profession. Throughout history, people have romanticized life models in an aura of bohemian eroticism or condemned them as strippers or sex workers. *Modeling Life* reveals how life models get into the business, managing sexuality in the studio, what it means to be a muse, and why their work is important.

Sex Objects Jennifer Doyle, 2006 In readings of the boring parts of *Moby Dick*, the role of women in Andy Warhol's films, the scandals surrounding Thomas Eakins, and other unlikely texts, Doyle, English U of California Riverside, challenges simplistic readings of sexualized art. She weaves together anecdotal and personal writing with critical feminist and queer theory to re-imagine the relationship between sex and art and to reveal the diversity of sex in art.
