Especially in 3rd BIS 2021, we brought up the Decade of Action towards Environmental Issues: Advancing the Innovation to Recover our Planet as the main theme. The conference will be held on Wednesday, December 15, 2021, in Magelang, Central Java, Indonesia. The scope includes Art, Linguistics, Communication, Economics, Education, Government Studies, Health Administration, Hospitality, International Relations, Law, Pharmacy, Political Studies, Psychology, Public Health, Religious Studies, Sociology, Health Sciences.
