Knowing that he was on the right side, he always spoke for the truth and for his own virtues. He always made sure that the higher-ups were informed of the mistakes in procedures and in management. But he never expected everything to go down on him. One day he found himself the object of collusion by the management of Chesapeake City Public Schools. The Poster Child for Bad Government by Barry I. Marsh gives an idea about and an example of the corruption that takes place in various levels of government. About the Author: Barry I. Marsh was born in Norfolk, Virginia, but grew up in central Florida where his family stayed for ten years before moving back to Virginia. He studied to become a mechanic and worked part-time as an auto mechanics teacher at Chesapeake Center for Science and Technology. He is still working for the Transportation Department at Chesapeake Schools to this day.
