

The Painted Parables

Clarence Edward Noble Macartney

The Painted Parables:

The Parables of Jesus Abigail Willis, 1998 This handsome compendium presents the complete text of each of Christ's parables as recorded in the Synoptic Gospels of the King James Version illustrated by works of art and enhanced by brief commentaries and extended captions with specific scriptural and artistic insights The development of Western art has been intimately linked with Christianity and in this volume paintings prints and drawings by old masters such as Bosch Durer Tintoretto Rubens and Rembrandt as well as nineteenth century artists such as Daumier and van Gogh bring the scriptural teachings vividly to life In addition mosaics stained glass illuminations and sculpture add to the rich texture of Christian art An Introduction discusses the form and meaning of parables their interpretation and Jesus deliberate use of them rooted in everyday concerns to spread his message Concluding with an exploration of the history of Western art in relation to Christianity and specifically the parables *The Parables of Jesus* is a rich gift for Easter first communions and all religious occasions

The Art of Parables Charles McCollough, 2008 Without question the parables of Jesus are the most loved and most used texts in the entire New Testament a blessing opportunity and challenge to preachers study groups and congregations alike They are the most loved because as word pictures they are immediately accessible We can imagine the situations they describe and wonder how they apply to our own lives The parables also bring us as near to Jesus as we can get Biblical scholars agree that the parables are the most authentic words of Jesus available to us and we value them for that reason At the same time the parables present many challenges The parables appear more than 30 times in the Revised Common Lectionary Ministers are called to preach the parables over and over again It's not easy to approach the parables in a fresh way or to gain new insights from them when we hear or preach them so often Which is why *The Art of Parables* by Charles McCollough is such an indispensable resource A theologian and artist McCollough knows the parables intimately and offers a unique two pronged approach to each of the 31 parables contained in the New Testament First McCollough interprets each of the parables through sculpture Seeing and approaching the parables visually through art sculpture opens up new levels of understanding Second McCollough takes full account of the social economic and political context in which the parables were told with often surprising and challenging results For example the Good Samaritan and the Prodigal Son parables have been used in endless ways to refer to compassionate care of the stranger and to forgiveness of wayward children But are these the meanings Jesus intended Not necessarily says McCollough This illustrated book and the accompanying CD of images for projection will be an invaluable resource to anyone who wants to explore the ethical and social justice issues contained in the parables of Jesus in a unique way that honours the contribution of the arts

Preaching the Parables Geoff New, Wilfredo Weigandt, Paul Windsor, Esteban Améstegui, 2025-03-31 The parables of Jesus appear to be simple and yet they can become difficult for preachers to understand and apply This book wrestles with the unique challenges of preaching the parables It provides in depth and practical tools for studying interpreting and

applying the parables within the reader's own setting while remaining true to the intentions of Scripture Offering a four step approach preachers are invited to consider how a parable operates as a picture then a mirror then a window and then a door Containing contributions from a diverse group of authors this book provides rich and varied examples of how to put its teaching into practice Immensely accessible it empowers preachers teachers and readers to encounter the parables in all their simplicity and depth as if reading them for the first time *The Art Bulletin*, 1961 Includes section Notes and reviews

The pictures of the Divine artist: studies in the parables of Christ George Scragg Walker, 1905 The World of Proverb and Parable Edwin Paxton Hood, 1885 The Parables of the Gospel Leopold Fonck, 1918 Proclaiming the Parables Thomas G. Long, 2024-03-12 In Proclaiming the Parables noted preacher and scholar Thomas G Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries their main power he claims lies in their disclosure of the kingdom of God which is not merely an idea nor even just a complex symbol with generative and centrifugal force but an event the inbreaking of the life of God into human history and experience Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us This book provides two chapters for each synoptic Gospel The first focuses on the Gospel as a whole and the parables place in it and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel Two introductory chapters additionally situate this book in the history and theology of the parables interpretation and address questions that preachers have about preaching the parables Preachers who consult this volume will be informed about each major parable guided through the controversies regarding interpretation and stimulated to preach on the parable in fresh faithful and creative ways The Parables of Jesus George Arthur Buttrick, 1928 The Art Teaching of the Primitive Church; with an Index of Subjects, Historical and Emblematic, Etc Richard Saint John TYRWHITT, 1874 **The Art Teaching of the Primitive Church** Richard St. John Tyrwhitt, Society for Promoting Christian Knowledge (Great Britain). General Literature Committee, 1874 The Parables of the Old Testament Clarence Edward Noble Macartney, 1926 **Descriptive catalogue of the painted glass windows in Glasgow cathedral** Charles Heath Wilson, 1883 The art journal London, 1898 **The Publishers Weekly**, 1902 The Garland Library of the History of Art: Seventeenth century art in Italy, France, and Spain, 1976 The Parable of a True Knight TJ Pohlman, 2020-01-21 What is the first thing that comes to your mind when someone mentions a knight in shining armor Perhaps you think of a valiant warrior dressed in plate armor naturally galloping across the land with his noble steed looking for wrongs he can right Or maybe you image him facing a mighty dragon with sword and shield in hand braving the fire breathing monster fearlessly You may even envision him rescuing a beautiful princess who has been locked in a castle tower by her ruthless uncle until she agrees to marry him All of these things and more

encapsulate the dreams of young Benjamin Knight And as he is likely to explain to you he is not a true knight That s just his name Benjamin has been raised in a loving home in a medieval setting and wants nothing more than to grow up to become a true knight That opportunity presents itself in an unlikely manner one day when he meets a young man Joshua advertising the Jousting Tournament that is coming to town Joshua recognizes Benjamin s genuine love for the traditional knight in shining armor and takes him under his wing teaching him that his understanding of knights while quite popular with the masses is incomplete Our young hero struggles with many of the same worldly temptations we all face along the way greed selfishness a sense of worthlessness and a desire to quit when things get too difficult In the midst of his journey he encounters an evil man who draws Benjamin into an equally evil plot to overthrow the kingdom He is then given an ultimatum Assist in the plot and have your dreams come true or refuse and lose everything that is important to you What choice will he make This book weaves and illustrates the instructive lessons Joshua demonstrates with the colorful and active imagination of a young boy Readers should be able to relate with Benjamin and his adventures and hopefully glean from this parable some encouraging truths and moral principles to apply to their own lives **Studio** ,1897 Art & Accounting

Basil S. Yamey,Professor Basil Yamey,1989-01-01 This unusual and abundantly illustrated book discusses a wide collection of paintings and other arts from 1400 to 1900 that include the image of an account book Throughout and particularly in the concluding chapter the author considers other connections between accounting art and history the *The Perry Magazine*

Eugene Ashton Perry,1906
