Messages to the Church of the Twentieth Century, Etc** j. l Campbell (D.D.),1921      The Patmos Letters ,      **Patmos Speaks Today** John Weston,2007 John Weston has spent many years leading tours of Biblical sites in the Middle East Now he has brought together a series of meditations first on the Isle of Patmos and then on each of the seven churches in present day Turkey which are mentioned in the early chapters of the book of Revelation in the Bible With his attractive alliterative style the author transports the reader to the place where the Apostle John saw his apocalyptic vision of Jesus Christ What was it like What were the themes which were unfolded to him Reading the first chapter one could almost be sitting in the Apostle s cave on the Isle of Patmos as the tour guide sets the scene At appropriate points the explanation is reinforced with a familiar or unfamiliar hymn John in his vision received dictated letters for seven first century churches in cities of the country which is now Turkey The author leads the reader to each church in turn and the significance of the correspondence it received is

reviewed from historical prophetic and topical points of view Strong arguments are advanced for the continuing relevance of these letters to churches and individual Christians today The tour ends with a grand review of each place visited and the comparative lessons to be learned So is the book simply a tour guide As preparation for a souvenir of or a virtual replacement for a tour of Patmos and the Seven Churches this book is ideal But it is much more than that As an easy to read meditation on the early chapters of the book of Revelation considered within the framework of the prophetic and practical teachings of the rest of the Old and New Testaments it is a valuable aid to those who really want to know the relevance of Revelation for the twenty first century Christian

*The Patmos Letters* John Campbell,2018-09-18 In this book Dr Campbell concentrates on applying the imagery and meaning of those things revealed in the Patmos letters to Christians of our era Readers who like the writings of G Campbell Morgan will be pleased to see that the author quotes Morgan several times Very practical book written in a readable style Beneficial to the lay person or to the student of Theology
