book I share all the hilarious stories from all the weddings I have attended as well as some practical how to lessons in planning a wedding I will never forget the weddings where the father of the bride forgot his pants and the best man forgot the rings Or the bridezilla that was so demanding she lost a friend through the wedding planning process Weddings can be very stressful and unfortunately bring out the worst in people While the book has a lot of comical real life stories from each wedding I have attended it also has practical lessons and tips on how to plan your perfect wedding A theme that runs throughout the book is a reminder that your wedding is only one day and things will go wrong I encourage the brides planning their wedding to focus more on their relationship with their fianc and their forever life together and not get too overwhelmed with all the details of planning a wedding The planning process should be fun and exciting not stressful and turn you into a bridezilla Thirty by 30 is a lighthearted easy read to help eliminate the stress of the wedding planning process The content has a good balance of humor and seriousness to calm any nervous bride down as they plan their dream wedding
