Usable Past:

Human Liberation in a Feminist Perspective--a Theology Letty M. Russell, 1974-01-01 A feminist theologian relates the New Testament's message of salvation to contemporary struggles to achieve human equality and freedom **The Art of Growing Old** Carroll Saussy, This book shows not only how to embrace the challenges of a long life but also how to engage the possibilities of creativity and depth of soul available to those who have acquired a wealth of experience Activity suggestions are included making this ideal for both personal and group study *A Usable Past* William James Bouwsma, 1990 Together the articles form a substantial book which traces the antecedents characteristics and impact of Renaissance thought and action beyond all schools with that combination of scholarly precision and personal style which has made Bouwsma one of the most highly respected historians on this continent Heiko A Oberman University of Arizona Girl/Friend Theology Dori Grinenko Baker, 2023-10-15 Images of God are rooted in us for better but sometimes for worse Adolescent girls and genderqueer teenagers often pay a heavy price when those images are oppressive But the best God images serve to free us all The work can be hard but Girl Friend Theology invites us to the work with joy playfulness and shared commitment Author Dori Baker updates her original work with expanded perspective added voices and stories and an ongoing dedication to liberating faith *Memory and Authority* Jack M. Balkin, 2024-02-27 From one of the nation's preeminent constitutional scholars a sweeping rethinking of the uses of history in constitutional interpretation Fights over history are at the heart of most important constitutional disputes in America The Supreme Court's current embrace of originalism is only the most recent example of how lawyers and judges try to use history to establish authority for their positions Jack M Balkin argues that fights over constitutional interpretation are often fights over collective memory Lawyers and judges construct and erase memory to lend authority to their present day views they make the past speak their values so they can then claim to follow it The seemingly opposed camps of originalism and living constitutionalism are actually mirror images of a single phenomenon how lawyers use history to adapt an ancient constitution to a constantly changing world Balkin shows how lawyers and judges channel history through standard forms of legal argument that shape how they use history and even what they see in history He explains how lawyers and judges invoke history selectively to construct authority for their claims and undermine the authority of opposing views And he elucidates the perpetual quarrel between historians and lawyers showing how the two can best join issue in legal disputes This book is a sweeping rethinking of the uses of history in constitutional interpretation *Palestine in Israeli School Books* Nurit Peled-Elhanan, 2013-10-01 Each year Israel's young men and women are drafted into compulsory military service and are required to engage directly in the Israeli Palestinian conflict This conflict is by its nature intensely complex and is played out under the full glare of international security So how does Israel's education system prepare its young people for this How is Palestine and the Palestinians against whom these young Israelis will potentially be required to use force portrayed in the school system Nurit

Peled Elhanan argues that the textbooks used in the school system are laced with a pro Israel ideology and that they play a part in priming Israeli children for military service She analyzes the presentation of images maps layouts and use of language in History Geography and Civic Studies textbooks and reveals how the books might be seen to marginalize Palestinians legitimize Israeli military action and reinforce Jewish Israeli territorial identity This book provides a fresh scholarly contribution to the Israeli Palestinian debate and will be relevant to the fields of Middle East Studies and Politics more widely
