Still Single:

Why You're Still Single Evan Marc Katz, Linda Holmes, 2006-05-30 *Why You're Still Single* is not about chasing men so you will not need a butterfly net. It is not about making them chase you because they are not wolves and you are not a bunny. Relationship experts Evan Marc Katz and Linda Holmes do not suggest that you treat men like hostile alien presences. Pretend you don't understand football, buy padded bras, or refuse to call people back. But the benefit of other people's experience might point out a few things that are tripping you up, no matter how much of an amazing, smart, hot, totally worthwhile ass-kicker you may be. As a general rule, they recommend honesty, usually playing fair, shutting up sometimes, speaking up other times, respecting that voice in your head that says "You're doing WHAT, making compromises knowing when to cut bait, good sex, giving yourself a break, being needlessly generous, and periodically leaving your apartment." They don't recommend pretending to like what you don't like, treating, winking, and giggling like a "Get Out Of Jail Free" card, testing people's stubbornness, martyrdom, talking everything to death, and convincing yourself that you're desperate.

How Are You Still Single? Ashley Rodabaugh, 2020-02-02 *How Are You Still Single?* It's a question usually asked by older generations to a growing population of single men and women traversing an online dating world. The truth is, most single people ask themselves the same questions as they go on bad date after bad date. Written with a wry sense of humor and an authentic voice, the book is a real-life portrayal of a thirty-two-year-old woman's journey to find love. From grade school to grad school and into adult life, you'll meet the many men she's met throughout her lifetime as her dating life evolves from instant messenger to the modern dating apps. All the men she's dated have names similar to the ones you or your friends have dated. Whether it's *TheOneYouMeetWhenYou'reNotLooking*, *TheOneYourFriendRecommends*, or *Mr TooMuchTooSoon*, you'll find someone you've met before. They each have a unique love story with a common ending until she meets *TheOne*. Come along this author's love journey as she explains how hard dating is for some people and find out if *TheOne* can finally provide the answer she's been looking for to explain why she's been single for so long.
