A Brief Introduction to the Study of Missions in the Local Churches Barney Ford Reid,1946 United Local Churches
Harlan Paul Douglass,193? **A Plan for Studying a Local Church** Byron Lester Fox,1930 **A Multifaceted Jewel:
Studies On The Local Church** Boon-Sing Poh,2020-05-11 This book explains in short chapters the various facets of the life of a biblical church It is particularly suitable for pioneering situations in which believers are being prepared for covenanting together as churches The new as well as the older believers will be helped to have a clearer understanding of the local church Ignorance of the privileges responsibilities and liabilities of church membership is a cause of many churches remaining weak The quality is more important than the number of the churches we plant It is hoped that this book will be appreciated by more churches both in pioneering as well as the more established situations **Credible Christian

Institute of Social and Religious Research,1922 *Beyond the Academy* David Thang Moe,2024-10-11 The term public theology was introduced by Martin E Marty in a 1974 article Since then scholarly discussions on public theology have become more popular in academic circles This book however is about the invitation for moving beyond the academy It provides two reasons for doing so First an overtly academic public theology is in crisis today Although public theology may be flourishing in the academy its relevance for real life is limited Second there is the ecclesial flourishing among grassroots Christian communities across Asia who witness to their lived faith in public and hidden life Their voices are largely unheard

due to the gaps between the academy and the church This volume argues that we should consider their voices as key sources for developing a relevant lived Asian public theology The author makes the case for reimagining the paradigm shifts in lived Asian public theology of religions and for bridging the unhappy gaps between the academic and grassroots voices
