Uriels Eye:

Shelley's Eye Benjamin Colbert, 2017-03-02 Percy Bysshe Shelley joined the deluge of sightseers that poured onto the Continent after Napoleon's defeat in 1814 and over the next eight years Shelley followed major travelling trends visiting Switzerland in 1816 and Italy from 1818 Shelley's Eye is the first study to address Shelley's participation in the travel culture of Post-Napoleonic Europe and the first to consider Shelley as an important travel writer in his own right This book is informed by original research on a wide range of period travel writings including Mary Shelley and Shelley's neglected collaboration *History of a Six Weeks Tour 1817* in which Mont Blanc first appeared Fully responsive to the culture of travel Shelley's travel prose and poetry form fascinating conversations with major Romantic travellers like Byron, Wordsworth and John Keats as well as lesser-known but widely read travel writers of the day including Morris Birkbeck, Charlotte Eaton and John Chetwode Eustace In this provocative study Benjamin Colbert demonstrates how the Grand Tour remains a vital cultural metaphor for Shelley and his contemporaries under pressure from mass travel and popular culture Shelley's travel prose and visionary poetry explore motives of perception underlying travel discourse and posit an authentic aesthetic vision that reconfigures social, historical and political meanings of sights from the perspective of an ideal tourist observer Shelley's Eye offers a new perspective on Shelley's intellectual history It is also a timely and important contribution to recent interdisciplinary scholarship that aims to re-evaluate Romantic idealism in the context of physical, experiential or material cultural practices

Jericho's Bane James L. Howard, 2019-04-12 Arch forces led by a battle-weary Michael find that they are outmatched by the hybrid threat Imperial as they must adhere to an archaic rule: Slave to an unbreakable rule, a warrior is commissioned. Not since Samson has a mortal been given such power To end the abomination and to set the prophecy back on track Jericho Bane is given the strength of a deity to put right the corruption that Lucien Arcane has set loose From America to the Middle East to the heavens itself and back Jericho will learn love, sacrifice, betrayal and loss while keeping the one rule of no sexual intercourse lest he'll lose his power Under the instruction and tutelage of the only female archangel Gabriel he will persevere toward the inevitable meeting with the Imperial, culminating in a final battle for existence itself Jericho's journey will settle the question for all time: Did God lie?

Beatific Vision Jordan Spiece, 2018-07-30 Giuseppe Morreti, commander of an elite branch of the Vatican military known as the Milvian Guard, wakes one night from a dream of Lilith's angelic punishers. Rebuked for her disobedience of Adam, Lilith has been separated from God but now her children plot revenge with members of a new Roman power. Domus Aurea, Rome, is under siege and it appears evil is winning. Those residing and visiting Rome are captives, unable to move about or escape without fear of death. However, a higher power is in their midst as angels keep watch, unbeknownst to the Vatican or Domus Aurea. Giuseppe is dragged into a tug-of-war between the people of Rome and the demons attempting to take over when two unassuming young men get involved. Daven and Adam have no great notions of fame or grandeur. Their only concern is for the safety of their loved ones, so they will fight the
