The Chaplet Or De Corona Tertullian,2018-08-18 Keep for God His own property untainted He will crown it if He choose Nay then He does even choose He calls us to it To him who conquers He says I will give a crown of life Be you too faithful unto death and fight you too the good fight whose crown the apostle feels so justly confident has been laid up for him The angel also as he goes forth on a white horse conquering and to conquer receives a crown of victory and another is adorned with an encircling rainbow as it were in its fair colors a celestial meadow In like manner the elders sit crowned around crowned too with a crown of gold and the Son of Man Himself flashes out above the clouds If such are the appearances in the vision of the seer of what sort will be the realities in the actual manifestation Look at those crowns Inhale those odors Why condemn you to a little chaplet or a twisted headband the brow which has been destined for a diadem For Christ Jesus has made us even kings to God and His Father Tertullian Tertullian - the Chaplet Or de Corona Quintus

Tertullianus,2015-08-04 Keep for God His own property untainted He will crown it if He choose Nay then He does even choose He calls us to it To him who conquers He says I will give a crown of life Be you too faithful unto death and fight you too the good fight whose crown the apostle feels so justly confident has been laid up for him The angel also as he goes forth on a white horse conquering and to conquer receives a crown of victory and another is adorned with an encircling rainbow as it were in its fair colors a celestial meadow In like manner the elders sit crowned around crowned too with a crown of gold and the Son of Man Himself flashes out above the clouds If such are the appearances in the vision of the seer of what sort will be the realities in the actual manifestation Look at those crowns Inhale those odors Why condemn you to a little chaplet or a twisted headband the brow which has been destined for a diadem For Christ Jesus has made us even kings to God and His Father Tertullian **The Selected Works of Tertullian (Quintus Septimius Florens Tertullianus)**

Tertullian,2020-09-28 WE are accustomed for the purpose of shortening argument to lay down the rule against heretics of the lateness of their date For in as far as by our rule priority is given to the truth which also foretold that there would be heresies in so far must all later opinions be prejudged as heresies being such as were by the more ancient rule of truth predicted as one day to happen Now the doctrine of Hermogenes has this taint of novelty He is in short a man living in the world at the present time by his very nature a heretic and turbulent withal who mistakes loquacity for eloquence and supposes impudence to be firmness and judges it to be the duty of a good conscience to speak ill of individuals Moreover he despises God s law in his painting maintaining repeated marriages alleges the law of God in defence of lust and yet despises it in respect of his art He falsities by a twofold process with his cautery and his pen He is a thorough adulterer both doctrinally and carnally since he is rank indeed with the contagion of your marriage hacks and has also failed in cleaving to the rule of faith as much as the apostle s own Hermogenes However never mind the man when it is his doctrine which I question He does not appear to acknowledge any other Christ as Lord though he holds Him in a different way but by this

difference in his faith he really makes Him another being nay he takes from Him everything which is God since he will not have it that He made all things of nothing For turning away from Christians to the philosophers from the Church to the Academy and the Porch he learned there from the Stoics how to place Matter on the same level with the Lord just as if it too had existed ever both unborn and unmade having no beginning at all nor end out of which according to him the Lord afterwards created all things

The Ante-Nicene Fathers Alexander Roberts,1887 **A dictionary of Greek and Roman antiquities, ed. by W. Smith** Greek antiquities,1842 **The Ante-Nicene Fathers** Reverend Alexander Roberts,2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume III of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find three of Tertullians most famous writings In Apologetic Tertullian addresses the powers that be in Rome demanding that Christians be accepted and tolerated by Roman law In Anti Marcion Tertullian attacks and discusses heretics And in Ethical he discusses a variety of moral questions
