Praying the Hours Suzanne Guthrie,2000-01-25 In *Praying the Hours* Suzanne Guthrie offers us a contemporary way to practice the ancient tradition of hallowing time throughout the day by marking the hours with prayer and thanksgiving With humor and wisdom she draws on her experience as a wife mother Episcopal priest and teacher of children showing us through her own life how these devotions can fold into the times of a hectic day By praying the hours all the activities of our days our eating sleeping working cleaning playing and reading become part of the sanctification of time and place In part one Guthrie focuses on the importance of stability of place in the life of prayer Every time I move she observes I have to learn to pray all over again and she describes how she has learned to make a new home a house of prayer In part two Guthrie takes us through the hours of prayer in the monastic day and explores how praying at fixed hours through the day can draw us closer to God *Praying the Hours* is one of our series of Cowley Cloister Books smaller format gift edition books designed for meditative and devotional reading

The Humility of Being Found Kevin Cain,2019-11-19 The need to be rescued is somewhat about personal incompleteness and mostly about God who desires to have loving communion with creation Spiritual rescue follows a simple pattern Messiah is lovingly sent to rescue each has a tendency to fight against the Rescuer personal humility is a statement of faithful surrender and the key to being found the greatest journey of rescue is Jesus Messiah s upper room to empty tomb victory over sin and death now rescued the individual s only responsibility is to bear the Christ Who bears our wounds Such is the journey to rescue In *The Humility of Being Found A Journey To Rescue* Kevin B Cain writes Please acknowledge deep within every soul there is division from and longing for communion with the One larger than ourselves and with brothers and sisters in the struggle of life Every division requires rescue and the eternal estrangement of people from the God Who loves them necessitates the greatest of rescues And so whether we realize or not each of us sets out on a journey to discover rescue Thousands of years ago Messiah did the same God descended into a journey not to be rescued but to offer rescue The apostle Paul says Messiah s journey to rescue each of us can be summed up in three words death burial and resurrection Whether the individual s journey to be rescued is active or passive Jesus journey of death burial and resurrection has brought rescue to all You are now being invited to enter thirty six hours from my personal journal In the pages that follow you will read my chronicling of Jesus Upper Room to empty tomb journey of rescue and my attempt through vigil to journey alongside creation s Rescuer In the written testimony of my journey to be rescued and my stumbling over the Messianic leaf of God s rescue that follows perhaps you too will stumble welcome rescue and rise
