What do you do when your past comes knocking Six hundred and ninety five days That s how long it s been since Jude s fianc broke off their engagement With the help of his brother and his all encompassing love for music Jude glued the broken pieces of his heart back together but when his ex shows up on his doorstep late one evening Jude fears it will fall apart again Two years ago Vincent made a terrible mistake He left the love of his life for stupid ill advised reasons It took a traumatic event to bring what was truly important in his life into focus Older and wiser he s now ready to do whatever it takes to win Jude back Their chemistry is as explosive as ever but will they be able to work through the real issues Can trust once broken be rebuilt
