The Message Of Revelation:

The Message of the Book of Revelation Charles T. Chapman,1995 Perhaps no book in the history of the world has been as misunderstood and misappropriated as the Book of Revelation Those people versed in the methods of scholarly interpretation exegesis may understand the symbolism of this work but what about the general reader How is he or she to know whether this book is being soundly interpreted or misinterpreted Father Chapman writes for the general reader for the many who need to understand the truth of The Message of the Book of Revelation both its historical message and its message for Christians today He explains phrase by phrase in clear direct terms what has been learned about the genre of writings called apocalyptic literature of which Revelation is a part and how that knowledge can be properly used to interpret the images and symbols of Revelation Faithful to the teaching of the Church this explanation of Revelation reveals this biblical book to be an inspiring hope filled poetic portrayal of the triumph of Christ and his followers over the powers of evil The Rev Charles T Chapman Jr was raised and educated as a Southern Baptist He joined the Episcopal Church in 1980 and was ordained priest in 1987 He holds degrees from Union University and The Southern Baptist Theological Seminary with further training at the Episcopal Theological Seminary of the Southwest With Bible teaching and writing among his principle interests Fr Chapman offers this commentary in the hopes that reason and scholarship can shed light on a biblical work where baseless extravagant imagination has long cast its shadow *The Message of Revelation* Michael Wilcock,2021-06-29 Does the book of Revelation describe in veiled language events of its writer s own day or is it largely a prophecy of events still to come In this revised BST volume Michael Wilcock lifts the curtain on Revelation as a drama in eight scenes highlighting the role of the imagination in grasping this fascinating and enigmatic book **I Saw Heaven Opened** Michael Wilcock,1975 What is the book of Revelation Does it describe in veiled language events of its writer s own day or is it largely a prophecy of events still to come Is it a chart of the whole of history from Christ s first coming to his second Or does it deal chiefly with principles which are always valid in Christian experience And what is a twentieth century reader to do with creatures covered with eyes locusts like horses seven bowls of wrath war in heaven various beasts and a dragon Michael Wilcock maintains tha when God s words declarations arguments and reasonings had all been spoken God gave the church a gorgeous picture book Wilcok lifts the curtain on Revelation s drama in eight scenes helping our imaginations as well as our minds grasp the key concepts of this fascinating and enigmatic New Testament book *Life-study of Revelation: Messages 1-16* Witness Lee,1999 **The Message of Revelation** Michael Wilcock,1975 **The Message of the Book of Revelation** Cady H. Allen,2013-10 This is a new release of the original 1939 edition *The Message of Revelation* Henry L. Rudy,1981 *The Message of the Book of Revelation* Emanuel Buechley Hoff,1919 *Onward to Victory* Pieter Kriel,2015-08-31 Apart from a few well known passages the book of Revelation is a mystery to most Christians The terrible images that are used are difficult to understand and the little we do understand seems to present a picture of doom and

gloom However the book of Revelation was written to comfort the persecuted believers who were facing daily onslaughts by the forces of evil It has a powerful message for the believers of all ages including today's believers If you can get past all the seemingly incomprehensible imagery and unlock the code you will find that its message is an integral part of the message that we find in the rest of the Bible In fact it is like the tip of the spear Most of the important themes in the Bible as a whole find their fulfillment in the book of Revelation The purpose of this book is not to give some radical new interpretation of the book of Revelation It is to remain faithful to the message of the Bible as a whole while opening this wonderful but often misunderstood part of God's Word for today's believers This book will help you not only to understand the message of Revelation but also to apply it to your own life This will help you to persevere through difficulties and persecution until the victory of Christ is fully enforced in all of creation A study guide is included so that you can also use the book for group Bible study

The Message Of Revelation Alden Gaisford, 2021-07-10 The Book of Revelation also called the Apocalypse of John Revelation to John or Revelation from Jesus Christ is the final book of the New Testament and consequently is also the final book of the Christian Bible That frightening book is the book of Revelation This study provides a close study of the text and also presents a sample of apocalyptic interpretations including Nostradamus Isaac Newton and the cousins of Fatima

Hope Revealed Robert P. Vande Kappelle, 2013-08-23 Hope Revealed sets the record straight Revelation is not as bizarre and vindictive as many have imagined Its message is hopeful not pessimistic world affirming not world denying and thoroughly congruent with the biblical emphasis on love reconciliation and forgiveness Revelation invites us to drink deeply from its metaphors of promise and warning vision and blessing While Revelation's method and theological conceptuality are relatively different from the rest of the New Testament once they are appreciated in their own right they contribute to make this book not only one of the finest literary works in the Christian canon but also one of the greatest theological achievements of early Christianity

Revelation- A New Interpretation Samuel Wahbeh, 2015-11-10 This book together with my second book Revelation A New Interpretation Jesus and His Bride Through 51 Messages Volume 2 takes on a new interpretation to the study of Revelation Based on the principle of scripture interpreting scripture it shows that Revelation is happening today just like it has always happened and will continue to happen until Jesus comes again These two volumes challenge the views

of Amillennialism that teach events in Revelation happened during the first century These volumes also challenge the Dispensationalists who claim all events in Revelation are futuristic Revelation is full of numbers colors and symbols that play a vital role in unlocking the message Thankfully they are given to us in Scripture and we don't have to guess their meaning The book of Revelation shows our relationship to Jesus Christ it is a marriage covenant It is Jesus who came to find a bride so that he can be with her for all eternity When he first saw her she was as sinful as one can be Yet he washed her in his blood clothed her with the sun and made her as beautiful as beauty can be He gave her a new life and established her as a suitable helper to share in his mission to become a light to the Gentiles and bring God's salvation with eternal glory to the ends of the earth *The Message of Revelation* Arthur Petrie,193? *The Message of the Book of Revelation* Cady Hews Allen,1939
