Mansfield Keith R. Long, 2013-04-23 As the snow falls outside his ambulance window Steve Dobbs drives to check on his ninety year old grandmother who lives in a mansion haunted by ghosts from her past After Marsha Winthrop is found dead Steve is bequeathed the mansion where he eventually starts a new life But one night after his ambulance crashes in the mansions courtyard Dobbs is found more dead than alive and dies shortly thereafter Ted Mansfield who was Marshas second husband has hallucinated an entire fictitious lifetime for Steve and from his point of view that indirectly reveals everything Ted knows of the Winthrop family and Marshas life after their divorce Ted has fallen into a twisted upside down world driven by his bizarre dreams As he moves from one dream to the next ninety years of events are twisted and replayed in disguise as his subconscious mind reviews his perceptions of reality As his nights of fitful dreams continue Ted embarks on more intoxicating adventures as Red a time traveler hoping for success in a strange dystopian future Mansfield continues the tale of one mans journey through life as he fitfully dreams about his experiences through alternate realities in one last attempt to make sense of his life and the confusing social political and economic events that occurred around the world during the opening years of the twenty first century

Closing the Gap gmb bailey, 2010-08-30 Closing The Gap takes a deeper look into the Gang Stalking phenomenon and how community notification programs are being used and abused to destroy the lives of innocent citizens These programs are being used to create a system of state control and conformity The citizens of democratic countries have been mobilized as weapons for the state They are being used as a clearing house for those who the state see as unfit and undesirable The state in every community workplace and most families have created a disturbing interconnected system of surveillance and control Once targeted the person in question is blacklisted Then those around the target are categorically enlisted into the states monitoring supervision and annexing of the target *Time Briton*

Complaints A one act play These are the writings of men and boys they are all males who have committed some of the worst
peacetime massacres in the world Some of the writings are short raising more questions than they answer Some are long and
compulsively detailed Some are introspective and insightful Some are strange and clearly the products of disturbed minds
One or two make little sense at all These writers are isolated broken lonely Many of them are angry Very very angry And they
want to seek revenge on the people and society who wronged them You will be amazed horrified and fascinated You may find
the thoughts expressed uncomfortably similar to your own You may dip into this book each day entranced by nightmarish
acts and deranged flights of fancy You may stay up late at night and read the whole thing in one sitting All of the writers
committed or attempted to commit mass murder All were either gunned down captured or killed themselves at the scene of
their crimes In addition to the ones described above the writers include Dylan Klebold one half of the team that executed the
Columbine Massacre an event that has inspired other mass killers for over two decades Seung Cho lone perpetrator of the
Virginia Tech Massacre Richard Farley who carried his obsession with a young female co worker much too far And more than
