

Time

Tic Toc

My heart is on lock

your time is running out

all on the clock

Wow

you thought I was about to wait

no soon it will be to late

it will be past fate

that we should have been on a date

well babe now it is to late

for you & me

now you should let heart stay on beat

Dont let it skip because of me

Right on Time Walter A. Wheat M.A., 2019-10-26 When we say Right on Time we are speaking of that precise moment when something should be said in gratitude of or for appreciation for a special remark or gesture More often than not one gets overwhelmed at something that was either said or done especially when they least expect it They then struggle with choosing the proper words to express their gratification This may happen when someone says or does something nice for you during a time when you were totally unprepared Or there are times when a person feels what they want to say should be more personal or more descriptive By nature you want to say Thank You but your brain sits in a state of idle dissolution while you mentally grasp for the proper verbiage and wonder how to say it with elegance and with proper enunciation and meaning If this has ever happened to you maybe Right on Time Poems for the Right Moment is a book you will relate to
