

# **Gone Too Soon**

**Whitney Houston gone too soon,  
over the clouds and passed the moon.  
Abundant sunshine smiles as she rest-  
day before Sunday in her home -town,  
where once she played hop -scotch,  
and double-Dutch/  
and sung like a humming bee  
that the world came to know  
and love through all her bumps, ups and downs.**

**Now she returns home past the half halo moon/  
that shines and glows in the night,  
while angels rejoice above  
and on earth,  
as God's saint our sister, daughter, and mother  
returns home,  
waving good-bye to us from the open gates,  
of her heavenly father.**

Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy, well-behaved and successful children. Research has shown that the first three years in a child's life are a critical moment in their development and that behavior patterns instilled during that time can have profound implications for the rest of a child's life. Hundreds of thousands of parents have already used the advice in *Positive Discipline The First Three Years* to help set effective boundaries, forge strong foundations for healthy communication and lay the groundwork for happy and respectful relationships with their young children. This work covers 840 intentional suicide cases initially reported in *Daily Variety*, the entertainment industry's trade journal, but also drawing attention from mainstream news media. These cases are taken from the ranks of vaudeville, film, theatre, dance, music, literature, writers with direct connections to film and other allied fields in the entertainment industry from 1905 through 2000. Accidentally self-inflicted deaths are omitted, except for a few controversial cases. It includes the suicides of well-known personalities such as actress Peg Entwistle, who is the only person to ever commit suicide by jumping from the top of the Hollywood Sign; Marilyn Monroe and Dorothy Dandridge, who are believed to have overdosed on drugs; and Richard Farnsworth and Brian Keith, who shot themselves to end the misery of terminal cancer. Also mentioned, but in less detail, are the suicides of unknown and lesser-known members of the entertainment industry. Arranged alphabetically, each entry covers the person's personal and professional background, method of suicide, and in some instances includes actual statements taken from the suicide note.
