Kamberg,1995 **The Wisdom Pot** Emmanuel N. Mukanga,2022-07-19 The Wisdom Pot was inspired by posts on a seniors platform that were meant to help members their families and friends prepare and navigate through different stages in life While compiling tributes to a fallen colleague the author soon realized that the platform had so many informative educative and entertaining words of wisdom for different ages He collected those he felt could be shared with the wider society because of their relevance and usefulness As the world wrestled with the COVID 19 pandemic tips on protective measures such as sanitizing washing hands and wearing masks featured regularly on the platform So were tips on general health especially for the elder citizens The elders got to learn that proper networking like checking on each other daily can be lifesaving The elders exchanged notes on the mid career getting married bringing up children and finding real happiness What many are ignorant about are the changes that come about in our families jobs and ages Did you know that many married women when they reach 40 50 years and have children become rebellious to their husbands **Wild Card**

Undercover Kari Lemor,2017-03-07 All that glitters in Miami is not gold Lured in by a bad ex boyfriend and the moonlight of Miami Meg O Hara is trapped in a nightmare situation waiting tables for a crime boss and fearing for her life When undercover FBI agent Christopher Shaunessy offers her a way out she seizes it Getting the goods on Salazar Moreno might not be easy but she ll do anything to be freed from her servitude and Moreno s sexual advances even if it means moving in with the charismatic agent Chris Shaunessy pretends to be Meg s lover in order to keep her safe but he steels his heart against further involvement Passion has no place in the sordid world of organized crime And yet the closer they get to cracking the case the stronger his feelings for the spirited waitress shine It s a dangerous game he s playing and taking Meg in his arms for real could prove a fatal misstep Wild Card Undercover will capture your heart Kudos to Lemor RT Book Reviews 4 Stars **Letters to Oma** Marj Gurasich,2016-05-13 When fifteen year old Christina Eudora Von Scholl learns that her family will leave their German homeland to seek freedom in Texas her greatest sorrow is leaving behind her beloved

grandmother And so in a series of letters she takes Oma on this great adventure with her family and takes us as readers Sometimes the letters are dark with discouragement for the Von Scholls find as did many German Texas families that the Society for the Protection of German Emigrants known as the Adelsverein was unable to fulfill its promises of land housing horses and farm implements But they are Germans determined and willing to work hard More often these letters and the text woven in between them are bright with adventure for Tina finds Texas an exciting if puzzling place There are new customs to learn new foods to eat even while the family preserves its traditional German ways Tina s adventures include a run in with a mountain lion an exciting trip across Texas with her father to Sisterdale and a frightening encounter with Lipan Indians Her lessons in being an American are helped by Jeff a young man who becomes part of the family when he undertakes to teach them to farm in Texas Tina in return teaches Jeff to read and learns a lesson in love that is without nationality Letters to Oma is a charming informative novel that sweeps the reader back to a very particular time and place And Tina Von Scholl is irresistible as correspondent and as heroine
