The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English* this two volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and

through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean, emphasis on post-World War II slang and unconventional English, published sources given for each entry often including an early or significant example of the term's use in print, hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords, dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources, and new glosses.

The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful, and it's a prize for anyone with a love of language. *The Encyclopedia of Old Fishing Lures* Robert A. Slade, 2011-07. Robert A. Slade, after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years, started researching and writing books in the 1990s. He published *HISTORY COLLECTIBLE FISHING TACKLE OF WISCONSIN* in 1999, which sold 4,500 copies. Bob realized that even though there have been many books published on the subject of old fishing lures, that few books covered any detailed history on the old lure makers. His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2,500 lure makers throughout all of North America. *THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA* is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers. The author traveled to 11 states and 3 Canadian Provinces, visiting collectors' homes, newspaper archives, museums, and other sources and has taken over 10,000 pictures in preparing the historical stories for these books. The set of books arranges for the individual and company lure makers to appear in alphabetical order. People purchasing these books can buy any one single book, a whole set, or even a book a month if they desire, as the books will be printed and shipped on demand. Each book has over 400 pages of text, pictures, and collector values, with each book containing a table of contents and index, as well as a master index for the complete set of books.

Odds Against the House James Earl Jones, 2020-02-25. How long would it take to fulfill his dire aspiration to win it big? Almost 50 years later, this story, life lived, is overwhelming, and of course, the devil is in the details, are overdue and must be finally told. Father Time shares an unusual yet unique account of how a Black Man became a well-known Poker Player in a White Man's Game. As this non-fiction fate unfolds, you will experience a plethora of emotional twists and turns, from excitement, joy, laughter, to heart-wrenching pain, sorrow, suffering, as the money rains down.

New York Magazine, 1984-04-16. New York Magazine was born in 1968 after a run as an insert of the New York Herald

Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Casinos Committee of Enquiry into the Establishment of Casinos in New Zealand,1989 The main recommendations of the enquiry were that the casino industry be permitted to operate in New Zealand that the industry be owned and operated by private enterprise that casino operations be subject to a Goods and Services Tax on the casino win in addition to a corporate income tax and that the industry be regulated by a Casino Supervisory Authority

The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell,2008-07-25 The Routledge Dictionary of Modern American Slang and Unconventional English offers the ultimate record of modern American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer lively examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided This informative entertaining and sometimes shocking dictionary is an unbeatable resource for all language aficionados out there
