Tin Gods:

God...the Grand Illusion Dr. Ronald Pleune,2022-08-29 The question is this what do we accept as the truth of what we believe in We take many things by mere faith but is faith the right path in putting our trust in a matter just because someone says so Do we dig into a matter with an open mind rather than prejudice and influences from others as we were growing up Does our relationship with others influence our perception of what is truth and what is not the truth Do we tend to accept something as truth because we don t have time or resources to check it out Or is it because of an emphatic speech by a cleric that proclaims the Bible is without error when in fact outside sources point to errors in dates events and even interpretation yet we close our eyes and ears because we ask How can this be Many times the excuse is made that if so many people believe in a particular biblical statement or condition then it can t be wrong Or can it Debate on biblical issues end up bogging the general populous and many just walk away from it with disgust won t deal with it or dogmatically hold a position of biblical inerrancy This brings us down to getting into the trenches of discovering the truth as ugly and contentious it may seem This is especially true when ufology is brought into the picture especially when the topic of God or a God is introduced and examined in the light of various scientific disciplines , **The House of My Dreams** ,1915 Departmental Ditties Rudyard Kipling,1899 **The Western Teacher** ,1914 **Rudyard Kipling's Verse** Rudyard Kipling,1927 **Puck of Pook's Hill, 1905-1906.
