## War Journey:

*War Journey* Malarvan, 2013-05-15 The child you threatened once the young shoot you stepped on the Tamil you teased is standing with a gun in front of you This short diary was recovered from Malaravan's kit after he was killed in action in 1992 when barely twenty In it he recounts his unit's journey to Maankulam the island's granary to fight a critical battle where they routed the Lankan military The LTTE's planning and tactics the fervour and camaraderie of the young Tigers and the actual combat are minutely chronicled As a foil to the violence Malaravan brings out the beauty of the Tamil forest and countryside and the humanity and support of the common people for them despite their suffering under army rule Bittersweet fresh and lyrical at times *War Journey* is a testament to the Tamil longing for a homeland and the wider conflict that once engulfed the island

*Windows to the Mind* Sandra Handl, Hans-Jörg Schmid, 2011-01-27 Cognitive linguists are convinced that the nature of linguistic structures is strongly influenced by the way we experience and perceive the world and by how we conceptualize and construe these experiences and perceptions in our minds At the same time the study of linguistic structure and usage is credited with the potential to open windows to how our minds work The present volume collects papers investigating linguistic phenomena that reflect the key cognitive processes of metaphor metonymy and conceptual blending which have proven to be highly influential in linguistic conceptualization Theoretical and methodological issues such as metaphor identification and the relevance of the target domain for children's understanding of metaphor are focused on in the first section The second and third parts are devoted to the application of the theoretical frameworks of the conceptual theory of metaphor and metonymy and the theory of conceptual blending to linguistic data The contributions critically explore the explanatory potential of these theories build bridges between them link them with other approaches and notions such as construction grammar common ground and stance evaluation and uncover conceptual regularities and cognitive models that underlie and shape our language use in specific domains The linguistic structures under consideration span the range from compounds and premodified noun phrases to constructions and texts such as jokes and political speeches Methods applied include psycholinguistic experiments analyses of data culled from authentic language corpora and discourse analytical approaches

**Politicians and Rhetoric** J. Charteris-Black, 2016-01-03 This book analyzes the rhetoric of speeches by major British or American politicians and shows how metaphor is used systematically to create political myths of monsters villains and heroes Metaphors are shown to interact with other figures of speech to communicate subliminal meanings by drawing on the unconscious emotional association of words
