Stephen Michael DiGiovanni, Midwest Theological Forum, 2020-06-26 On October 14 1953 Pope Pius XII presided over the
dedication of the new Pontifical North American College seminary on the Janiculum Hill above Saint Peter s Basilica Nearly
one hundred years had passed since the seminary s founding and the Pope considered the new campus completion a stronger
flame of hope for the Church in the United States of America and in the world Devotion to the Holy Father the grace of
priestly ordination and a solid training in the Church s teachings were the three treasures that young men trained at the NAC
brought back with them to the United States as priests In this follow up to Father Robert McNamara s monumental work *The*
American College in Rome 1855 1955 Monsignor Stephen M DiGiovanni advances the history of the College over the next
quarter century The American students in the 1950s were not the same as those who had lived in the old seminary during the
previous century The world was very different after numerous revolutions social upheavals and two world wars Other forces
were at work as well including some changes just beginning to take place in American society which would become radically
and publicly manifest on American university and seminary campuses during the next decades even in Rome If prior to the
Second Vatican Council everything was clear and regimented then during and after the Council less and less was clear cut or
well defined on the Hill of Janus In fact few could have predicted the aggiornamento or updating that was on the horizon that
would profoundly reshape for better or worse the NAC and its future priests **Bulletin** United States. Office of
