Corporate Governance grade 2 course Master in International Business language English abstract The objective of this study
is to provide recommendations on how to improve the cooperation between Wolt and its courier partners during and after the
Covid 19 crisis based on the views and opinions expressed by the courier partners in Tallinn The views and opinions of Wolt s
courier partners on actions and strategies implemented by Wolt during the pandemic and preferred relationship status will
be used to make suggestions on how to improve the cooperation between the two parties According to Statista an online
database food delivery platforms along with other service sector businesses in Estonia contributed significantly to GDP over
61% from 2009 to 2019 Moreover the global turnover of 151 526 million in 2021 was forecast in the sector Online Food
Delivery with China expected to generate the highest turnover and the estimated turnover for Estonia in 2021 is 20 million
Statista 2020 1 Wolt one of the largest e residency companies in Estonia contributes significantly to the Estonian economy by
paying social contributions on behalf of its individual courier partners and paying business courier partners a higher
commission to compensate for their tax expenses By the last quarter of 2020 Wolt has paid up to EUR 300 000 in taxes for its
courier partners in Estonia Therefore the continued survival and profitability of online food delivery platforms in Estonia is
important for the well being of citizens As the hardship caused by the pandemic continues to transform almost all aspects of
