Talking on Purpose SiriNam Khalsa, Joel Levine, 1993 *Group Exercises for Enhancing Social Skills and Self-esteem*
SiriNam S. Khalsa, 1996 Two uniquely creative collections of exercises for enhancing self esteem utilizing proven social emotional and cognitive skill building techniques These exercises are useful in therapeutic psychoeducational and recreational settings The adaptability of the exercises makes them effective with groups of children adolescents and adults from diverse backgrounds with a wide variety of problems concerns interests and abilities *Principles and Practice of Research* Hans Troidl, Walter O. Spitzer, Bucknam McPeck, David S. Mulder, Martin F. McKneally, Andrew S. Wechsler, Charles M. Balch, 2012-12-06 What is the best way to plan surgical research What problems are most often encountered in clinical research How should a research report be presented at a scientific meeting These questions and more are all answered in Principles and Practice of Research The second edition has added new sections on animal research models the molecular and cellular dimension of surgical research and practical guidelines for obtaining government and third party funding Other improvements include a friendlier discussion of statistics and updated material about on line computer literature searches This book provides every clinical researcher with a roadmap around the pitfalls of poorly designed studies through the jungle of incomprehensible statistics and over the hurdles of research reporting to a successful study from start to finish From the reviews of the first edition For me it is a bible and a must for every Ph D or M D involved in clinical research especially in the field of surgery It should be on the table not on the book shelf of both the young as well as the experienced investigator as a readily accessible source of information to avoid the trial and error approach to problems in surgical research World Journal of Surgery 1 a carefully conceived concise blend of factual theory and principles practical guidelines and philosophical perspective I have found it hard to identify any omission even a selected bibliography on laboratory animals their care handling and anatomy is included and impossible to single out any individual contribution each is a treasure well written concise and complete The Lancet 2 The feature of the book is that despite attention to detail it maintains a clear and practical approach to the whole field beginning with the reasons for carrying out research the types of research and above all the reporting of research Almost all aspects of research are covered from small retrospective studies to departmental institutional national and international projects The chapter on writing for publication should be compulsory reading for all budding authors Journal of Bone and Joint Surgery 3 Advancing Sustainable Development Goals With Educational Technology Mobo, Froilan Delute, 2024-12-11 Educational technology plays a vital role in advancing the Sustainable Development Goals SDGs by transforming how knowledge is accessed shared and applied By leveraging digital tools and innovative teaching methods educational technology can promote quality education reduce inequalities and support lifelong learning opportunities for all it enables scalable and inclusive solutions that address global challenges fostering a most informed and empowered society As the world becomes increasingly interconnected harnessing the potential of educational
