The Light Of Unity:

Our Lady of Unity's Co-Founder's Formation and Mission Handbook Romeo Deiparine,2019-04-22 For thousands of years religion existed revealing humanity's need and hunger for the invisible and unfathomable God Billions of souls were drawn to religion especially when the children of Israel shared to us the invisible and unfathomable God that is always present in our lives Religion forms and prepares us in our long and demanding journey to God and this book was written as a manual of divine direction shaping and transforming our soul into the likeness of God This book was specially made for serious souls who want to give their all to God and achieve salvation This is dedicated solely for the greater glory and honor of the Triune God through our Lady of Unity

Matrimony in the True Church Dr Kristianna Polder,2015-11-28 Like many other denominations seventeenth century Quakers were keen to ensure that members married within their own religious community In order to properly understand the ramification of such a policy this book explores the early Quaker marriage approbation process and discipline as demonstrated through the works and marriage of the movement's leaders George Fox and Margaret Fell Through this close investigation of Quaker marriage approbation the book offers fascinating insights into early modern English society attitudes to gender and the early Quakers self perception of themselves as the one and only True Church

The Self-Disclosure of God William C. Chittick,2015-03-26 The Self Disclosure of God offers the most detailed presentation to date in any Western language of the basic teachings of Islam's greatest mystical philosopher and theologian It represents a major step forward in making available to the Western reading public the enormous riches of Islamic teachings in the fields of cosmology mystical philosophy theology and spirituality The Self Disclosure of God continues the author's investigations of the world view of Ibn al Arab the greatest theoretician of Sufism and the seal of the Muhammadan saints The book is divided into three parts dealing with the relation between God and the cosmos the structure of the cosmos and the nature of the human soul A long introduction orients the reader and discusses a few of the difficulties faced by Ibn al Arab's interpreters Like Chittick's earlier work *The Sufi Path of Knowledge* this book is based primarily on Ibn al Arab's monumental work *al Fut t al Makk yah* The Meccan Openings More than one hundred complete chapters and subsections are translated not to mention shorter passages that help put the longer discussions in context There are detailed indices of sources Koranic verses and hadiths The book's index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular
